

Good morning Year 3!

Happy Tuesday! How are you all?

I have to say, I was very impressed with some of the artwork that I received yesterday. They were even better than my attempts! Keep it up! 😊

Let's begin with a brain warm up!

Time yourself 2 minutes, how far can you get?

Tuesday

What fraction is shaded?

Calculate:

$$\frac{1}{6} + \frac{3}{6} =$$

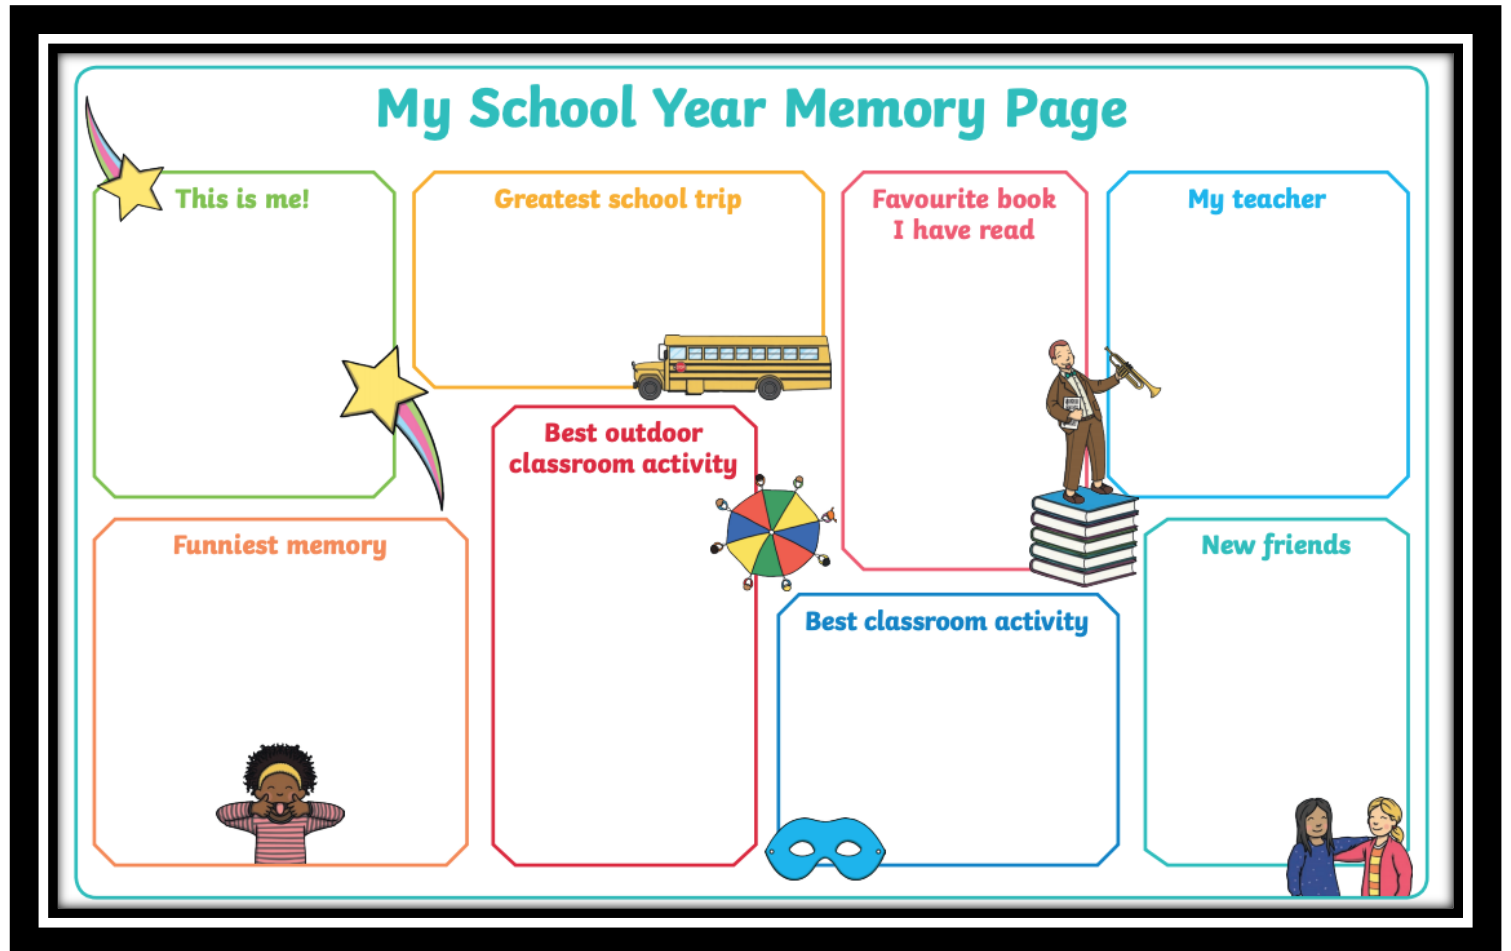

Order from smallest to largest:

$\frac{3}{7}$	$\frac{6}{7}$	$\frac{2}{7}$	$\frac{5}{7}$
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Solve:

What fraction is shaded?

Next, we have English. Yesterday, you wrote down some of your thoughts on Y3. Today I would like you to turn your thoughts into a report all about your time in year 3. You can organise your work in any way you choose. Here is an idea below...

Try to include-

- ★ Subtles
- ★ Pictures
- ★ Relative clauses
- ★ Expanded noun phrases (who can use the most interesting adjectives?)

Email them to me to earn 5 Dojos!

I have just thought...we haven't practised our handwriting in a little while. So practise these spellings, three by the tree, in your best Kinetic Letters.

century

accident

bicycle

earth

possible

Last up today, we are going to continue with some artwork. Yesterday, you had a go at recreating one of L.S Lowry's artworks. Today, I want you to reimagine a piece. I want you to pretend that you are L.S Lowry in Dudley. Can you reimagine Dudley in the style of Lowry?

Send me some of your pictures when they are done! I might even award 10 Dojos!

Great work Year 3! I am so excited to see some of your art from today! I think you are going to do a great job!

How have you found today's work? I am enjoying recapping all of our maths skills from this year!

Remember to keep listening to our story each day. Did you enjoy it yesterday?

Here is the link again, in case you need it for today...

https://stories.audible.com/pdp/B017V54W60?ref=adbl_ent_anon_ds_pdp_pc_cntr-1-0

Have a fantastic day. Remember to keep practising your spelling and poetry challenges They will really help you as you go into Y4!

Remember, any problems (or even if you just want to say hi!) you can email me on our Y3 email address.

Mrs Markin 😊
