

Tuesday 14th July 2020 Blowers Green at Home - Nursery

E-mail: [nursery@blowers.dudley.sch.uk](mailto:nursery@blowers.dudley.sch.uk)

Hello Nursery!

Thank you for all your pictures. Mrs Macdonald and Mrs Blower are really excited. If you haven't sent your picture in yet, please e-mail it to me on the address above.

### All about Mrs Macdonald

Mrs Macdonald had been teaching at Blowers Green for twenty years. She loves sharing stories, playing outside and cooking with the Reception children. Mrs Macdonald has a daughter called Molly who is eight years old. Molly and Mrs Macdonald love dancing in the rain, walking on the beach and snuggling up to watch their favourite Disney films.

### Keep on Moving!

This song always made you laugh, especially at the end when we had to stand up and sit down really quickly! So, clear a space and remember we begin the song sitting on the floor with our legs out in front.

### All about You

Today, I would like you to tell Mrs Macdonald and Mrs Blower a little more about yourself and your family.

Use some paint to make handprints of everyone's hands in your family. Ask an adult to help you to cut them out. Can you put them in order of size from the smallest handprint to the largest handprint. If you haven't got any paint you could draw around your hands instead. You could even make a family tree like this one.

Don't forget to email me your pictures so that I can pass them on to your new teacher.

## Rhyme Time

This is one of our favourite rhymes. You loved to sing it sitting on the train outside.

## Listening Time - George's Gym

Try this listening game today. You were really good at it in nursery.

### Note to Parents

Sound talk is simply breaking the sounds up in words like this, cat would be c-a-t. Use one of your child's favourite soft toys. Use the soft toy to give instructions Say one word of the instruction in sound talk, for example,

Georgie says stand u-p.

Georgie says touch your f-ee-t.

Georgie says give yourself a pat on the b-a-ck.

Georgie says put your hands on your kn-ee-s.

Georgie says put your finger on your n-o-se.

Georgie says wiggle your t-oe.

Click on the link below to hear the phonic sounds pronounced correctly.

## Funky Fingers

Today, I have set two challenges. You can decide which one to choose

### Peg Colour Matching

Make some colour blobs around a piece of paper. Can you match the pegs to the colours?

### Number Matching

You will need some paper or card numbered from 1 to 6 and some pegs. Can you peg the correct numbers of pegs on each one?

### To support your child

Draw a dots on each number card so your child can match the peg to the dot.

### To challenge your child

When you have finished order the numbers together.

Try with larger numbers.

Have a terrific Tuesday

Miss Meads
