

## May Half Term - Key Stage 2

Dear Key Stage Two,

Just a quick note from all the staff here at Blowers Green to thank you once again for your efforts and enthusiasm to complete home-learning activities over the past week. You have amazed us with your perseverance and resilience in these challenging times. We all hope you have a relaxing and fun-filled half-term holiday. Enjoy yourselves but most importantly stay safe! Fingers crossed the sun shines for us. 🌻☀️

Teachers will not be setting daily home learning over the half-term break but we have included some links to activities below that might be nice to share as a family or to keep you entertained if the need arises! **Take a look and have fun!**

**RAF Cosford** are running a poster competition over half term. There are some great prizes to be won. I know Year 6 had a great time on their recent visit and I am sure the talented children of Blowers Green would have a great chance of winning. Competition details here:

<https://www.rafmuseum.org.uk/cosford/schools-and-colleges/family-worksheets.aspx>

**The RSC (Royal Shakespeare Company)** have updated their website to include videos and activities for children of KS2 age to do over half term. So brush up your Shakespeare, take a virtual visit to the theatre at the following link!

**Science and Engineering** - The inventors at Dyson (Yes, the company that makes the vacuum cleaners!) have a range of Science experiments that can be done at home. Be careful you may need an adult to support you with some of the ideas! They look good fun!
