

Monday 18th May 2020

Good morning Class 5!

I hope you had a good weekend! ☺

Today's Tasks:

English - Writing

Today we will be writing for action. A great inspiration for this is the stampede scene from the new Lion King. You can watch the scene here: <https://www.youtube.com/watch?v=0siZ9ix50kM>

Write at least 2-3 paragraphs with high levels of detail. At this point in the narrative, things move quickly and your writing must reflect that to be effective. Use short sentences, a wide range of different verbs and adverbs and begin sentences with action.

English – Spelling

Choose a spelling list and practise. You could copy it out, use it in a sentence or repeatedly spell it verbally (for example, "Identity is spelt i – d – e – n – i – t – y").

interest	leisure
island	lightning
knowledge	marvellous
learn	mischievous
length	muscle

Maths

Today we are going to recap our learning on negative numbers. Select a difficulty and complete.

All

1a. Identify the numbers represented by the letters.

-1 4 -6 -8

VF

1b. Identify the numbers represented by the letters.

-3 1 4 -7

VF

2a. If the temperature in Dublin is 6°C and the temperature in Norway is -8°C , what is the difference between the two temperatures? Use the number line to help.

VF

2b. If the temperature in Colchester is 5°C and the temperature in Glasgow is -3°C , what is the difference between the two temperatures? Use the number line to help.

VF

3a. Identify the coldest temperature in each set of data and label it on the number line below.

A. 5 -1 0 6 -5 4

B. -4 6 -7 10 5 -1

VF

3b. Identify the coldest temperature in each set of data and label it on the number line below.

A. 4 -3 2 -5 5 -9

B. 1 6 -2 -6 -3 5

VF

4a. True or false? The arrow is pointing to 3 on the number line below.

VF

4b. True or false? The arrow is pointing to -4 on the number line below.

VF

5a. Write the numbers below on the number line.

12

-15

-1

-4

7

VF

5b. Write the numbers below on the number line.

2

-18

-4

15

8

VF

6a. If the temperature in Leeds is 18°C and the temperature in Helsinki is -13°C , what is the difference between the two temperatures? Use the number line to help.

VF

6b. If the temperature in Cardiff is 28°C and the temperature in Winnipeg is -22°C , what is the difference between the two temperatures? Use the number line to help.

VF

7a. Identify the coldest temperature in each set of data and mark it on the number line below.

A. -28 30 -21 17 -10 28

B. 9 21 -17 -23 29 -21

VF

7b. Identify the coldest temperature in each set of data and mark it on the number line below.

A. -17 -12 12 -8 15 19

B. 11 13 -9 -5 16 -3

VF

8a. True or false? The arrow is pointing to -12 on the number line below.

VF

8b. True or false? The arrow is pointing to -5 on the number line below.

VF

9a. Write the numbers below on the number line.

-22 -1 -29 -18 -12

VF

9b. Write the numbers below on the number line.

-15 -38 -11 -24 -4

VF

10a. If the temperature in Norfolk is 19°C and the temperature in Oymyakon is -32°C , what is the difference between the two temperatures? Use the number line to help.

VF

10b. If the temperature in Swansea is 3°C and the temperature in Yakutsk is -26°C , what is the difference between the two temperatures? Use the number line to help.

VF

11a. Identify the coldest temperature in each set of data and mark it on the number line below.

A. -19 18 -4 11 -35 5

B. -23 8 -22 -19 20 -2

VF

11b. Identify the coldest temperature in each set of data and mark it on the number line below.

A. 30 39 -3 -15 5 15

B. 17 -6 38 11 -7 -3

VF

12a. True or false? The arrow is pointing to 35 on the number line below.

VF

12b. True or false? The arrow is pointing to -26 on the number line below.

VF

Art

Today we will be completing some still life artwork. I would like you to copy the image below. You can use any media (paint, charcoal, water colour, pencil sketch) that you have access to.
