

Thursday 21st May

E-mail: reception@blowers.dudley.sch.uk

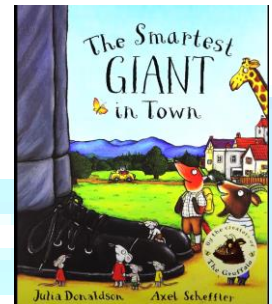

Happy Thursday. Thank you for all the beautiful smiles I was sent yesterday. I was smiling as I put the bins out and my neighbour smiled back. Your kindness buckets are getting so full. You are all doing brilliant work helping the Kindness Elves with their kindness mission.

George is a giant, who is the kindest giant in town. On his way home he helps lots of animals.

<https://www.youtube.com/watch?v=cfiPrA8E3qE>

After listening to the story how many animals can you remember? What makes George the kindest giant in town? Draw the animals with the items of clothing they received from George.

Number

Look at George's socks. Can you remember who he gave his sock to?

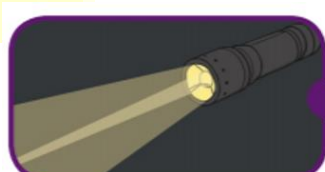

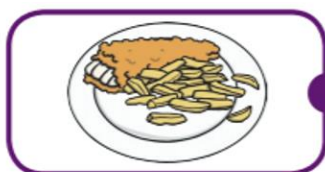

Do you have any socks in your house? Collect some socks and mix them all up. Can you find the pairs? Once they are in pairs, can you count them in twos? 2, 4, 6, 8, 10, 12, 14. In my house we have lots of socks in the ironing basket. Molly often gets the job of pairing up the

socks. She then hangs them up on the line. I don't think she did a very good job of matching them do you? Perhaps you can sort the socks for your family. That would be a kind thing to do.

Phonics

After reading the captions yesterday here are the pictures. Try and write a sentence for each picture. Don't forget you will need a capital letter and a full stop.

He was digging in the soil.

The Kindness Elves have a mission for you today.

Can you make a kindness crown and give it to

someone who

kind? Look how giving a present

bring a smile to their face. We

Send me a picture of someone

gave it to them. You could even write a letter to that person as well.

Experiment

We are going to make magic pictures. All you need is a piece of kitchen roll, felt tip pens and some water. Follow these instructions and watch the magic happen. Talk about what you can see happening.
