Good morning Class 1!

We hope you have had a lovely day yesterday and that you enjoyed your home learning. We really loved listening to your favourite stories.
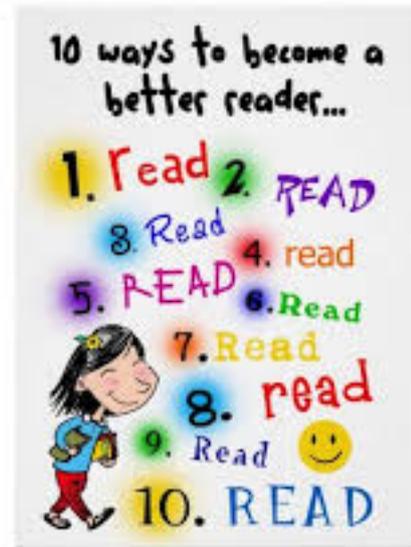

Before you start your home learning tasks below, could you write down 2 reasons why it is your favourite book?

Here are Islay's reasons for her book 'The Three Bears'

1. I like bears.
2. It is funny when the porridge falls on her head.

As always, we are looking forward to seeing or hearing about what you do.

Below, are some more fun and exciting activities for you to enjoy at home today.

Have a fabulous day,

Mrs Potter and Miss Starrs.

Warm up your brains this morning by singing the 3D shapes song, listen carefully, you will need this later.

Subject	Task:
Literacy	Thank you for all the amazing poetry recitals you sent us yesterday. You are doing so well Year 1. I think we might need to order lots of poetry badges ready for September.

Today, we would like you to answer as many questions as you can about yesterday's poem.

The questions are under each poem. They look like this:

Sing a Song O' Sixpence-Questions

What is a sixpence?

What is rye?

How many blackbirds were baked into the pie?

What is a parlour?

Which word rhymes with money?

Your poems are also attached to your home learning page for today. |
| Numeracy | Last night, Sainsburys delivered our online shopping. Before I put it away, I like to check that nothing is missing. Whilst I was doing this I noticed that my shopping contained lots and lots of 3D shapes. So, I took a picture of it. |

Can you write down how many 3D shapes you can see.

[Fancy a challenge?](#)
Solve the riddles below.

2D and 3D Shape Riddles Challenge Cards	2
What Am I?	

I am a 3D shape.

I have five flat faces.

I have five vertices.

Four of my faces are triangles and one is a square.

2D and 3D Shape Riddles Challenge Cards	3
What Am I?	

I am a 3D shape.

I have one flat face.

I have one curved surface, ending in a point.

I do not have any vertices.

Phonics	Read my short story below, how many 'ow' and 'ou' words can you find? Write them down, splitting them into two groups. Farmer Brown has a cow. His cow was very loud. He could hear it from his house. It would moo for an hour. Farmer brown got off his couch. He went outside to shout. "How can you be so loud?".
Reading	Read the story above again, then answer as many questions as you can. 1. What was the problem with the cow? 2. What did Farmer Brown say to the cow? 3. How do you think Farmer Brown feels? 4. How do you think the cow feels?

Topic: Art	Today, we are going to practise our drawing skills.

First, you will need to choose a drawing tool, this could be a pencil, pen, or crayon (nothing too chunky).

Now, choose one of the patterns below, and see if you can duplicate it.

Duplicate means copy.

They are very intricate designs, so take your time.

The best duplicate will receive 5 dojos!

Remember, you can do as many as you want.
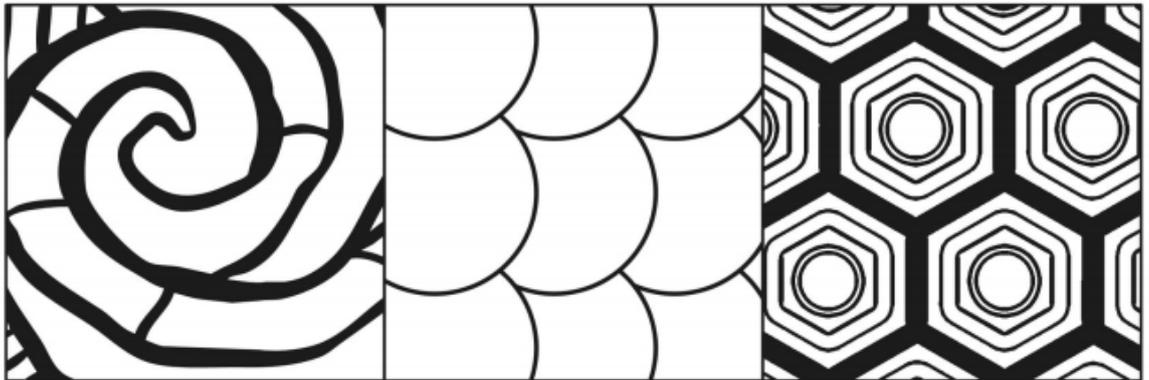

Fun Fact:

Did you know drawing helps you relax, improves concentration and helps you become a better writer?

*even

What is a sixpence?
An old coin worth six pennies.

What is rye?
A grain we use to bake with.

How many blackbirds were baked into the pie?
24.

What is a parlour?
A downstairs room often used to relax.

Which word rhymes with money?
Honey.

ow: cow brown

ou: loud house hour couch outside shout loud

1. What was the problem with the cow? He was loud.
2. What did Farmer Brown say to the cow? "How can you be so loud?".
3. How do you think Farmer Brown feels? Annoyed because it is too loud.
4. How do you think the cow feels? Upset because he is being shouted at.
