Thursday 2nd July 2020

Good morning Class 1!

We hope you enjoyed yesterday's home learning. Miss Starrs loved learning how to make a sandwich. I think she might make them all as they sounded so delicious.

Why don't you have a picnic this week, make your own sandwich and pack a picnic bag. Then, choose a nice shady spot to eat it. Send us some pictures too.

As always, we are looking forward to seeing or hearing about what you do.

Below, are some more fun and exciting activities for you to enjoy at home today.

Have another lovely day,

Mrs Potter and Miss Starrs.

Start the day by singing along to the Teddy Bears' picnic:

Subject	Task:
Reading	Your first task today, is to listen to a story. This story is written by Oliver Jeffers, the same author as The Way back Home. I love all of his books, but this one is one of my favourites. It is called 'The Day the Crayons Quit'. https://safeYouTube.net/w/aLtM I like this story because all the crayons talk to each other. They really make me laugh. Especially the brown crayon, when he complains about being called dark tan. Can you answer these questions about the story? Who is Duncan? Why do you think 'Pink' just wants to be used? Why were orange and yellow not talking to each other?
Literacy	Your second task today is to choose your favourite colour from the story, and write a list of all the wonderful things it could colour. Just like this: Things I could draw with pink: pretty flamingo beautiful pink flower tasty strawberry ice cream sweet candyfloss

Remember, crayons only like to colour exciting things, so add some interesting adjectives if you can.

You could even draw some pictures to match the items in your list.

Here are some colour words to help you:
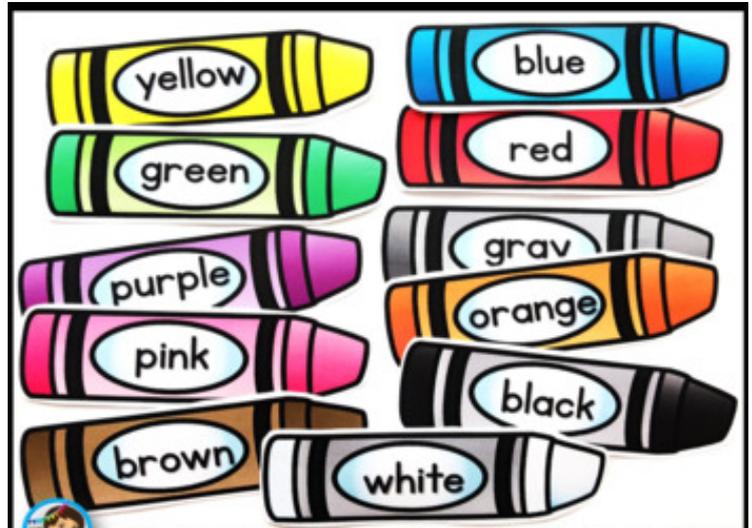

Numeracy	

Today, I would like you to practise adding and subtracting.

I have attached some questions below. Start at number 1 and do as many as you can.

Remember, you can use your tens and ones to help you, like this:

$$15 \quad + \quad 6 \quad = 21$$

|ooooo   oooooo

$$16 - 4 = 12$$

|oo~~oooo~~

|	
Phonics	Choose a game for your phase and practise your phonics skills on: <center>https://new.phonicsplay.co.uk/</center>
Topic: PE	Usually, in July, there is a big sporting event called Wimbledon. Wimbledon is a tennis competition. You play tennis by using a bat and a ball, like this: Today, we would like you to practise your ball skills, by completing some of the challenges below. You will need to find a space to do this, outside might be best! If you don't have a ball, get an old newspaper, or something similar and make one, like this: You could even use a balloon! Here are your challenges. If you can, record your answers and let us know how you do. How many times can your throw and catch the ball?

How far can you throw the ball? (measure the distance using your feet)
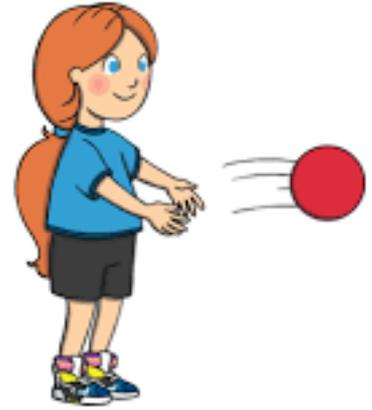

Make an obstacle course, how man objects can you dribble the ball between?

You might need to practise each challenge a few times before you record your answers.

1	3 + 6 =
2	10 − 5 =
3	10 + 2 =
4	15 − 3 =
5	15 + 5 =
6	27 − 6 =
7	31 + 7 =
8	38 - 8 =
9	45 + 4 =
10	56 − 5=

	Answers	adding ten
1	3 + 6 = 9	19
2	10 − 5 = 5	15
3	10 + 2 = 12	22
4	15 − 3 = 12	22
5	15 + 5 = 20	30
6	27 − 6 = 21	31
7	31 + 7 = 38	48
8	38 - 8 = 30	40
9	45 + 4 = 49	59
10	56 − 5 = 51	61
