

Good Morning Year 3

Hope you are all well! Did you enjoy yesterday? I really enjoyed the story, did you? I have set up my wildlife survey. You never guess what I saw flying around last night...

Here are some clues...

They are nocturnal.

They have 2 wings.

You can find them in caves.

They hang upside down.

Email me your answer for 2 Dojos!

Let's start our day off with a dance. Today you choose if you want to dance with Oti or dance with Just Dance.

I think I might pick Just Dance!

Our next lesson is English.

Today, we are going to be using coordinating conjunctions.

Use a coordinating conjunction when you want to give equal emphasis to two **main clauses**. The pattern for coordination looks like this:

MAIN CLAUSE + , + Coordinating Conjunction + **MAIN CLAUSE** .

Complete the activities below:

1. Rearrange the words below to create a sentence containing a coordinating conjunction.

nan

kind

strict

but

my

is

Create 3 appropriate sentences using the main clauses and conjunctions.

Main Clause

Heavy rain had started to fall,

Conjunction

yet

Main Clause

will he eat fresh fruit.

Toby won't eat green vegetables,

so

I grabbed my pink umbrella.

My alarm clock didn't go off,

nor

I still got to school on time.

Use two coordinating conjunctions to complete each sentence.

9. Use two coordinating conjunctions to complete each sentence.

A. Martin went to the shops _____

B. X marked the spot _____

C. Arthur didn't enjoy school _____

1. Martin went to the shops _____

Our final lesson is R.E

As we may be aware, there are lots of different religions in Dudley. We might not be aware of different religions and celebrations that occur around the world.

What do people eat during the celebration?	What do people wear during the celebration?	Does the celebration share any similarities with any other celebrations from around the world?	Write one interesting fact about the celebration.	Is the event a celebration or a commemoration?

Remember to complete your daily reading and practise all of your challenges. Keep learning the Y3 poems and spellings!

Here is a poem to practise-

Daddy Fell into the Pond

Everyone grumbled. The sky was grey.
We had nothing to do and nothing to say.
We were nearing the end of a dismal day.
And there seemed to be nothing beyond,

Then

Daddy fell in the pond!

Any everyone's face grew merry and bright,
And Timothy danced for sheer delight.
'Give me the camera, quick, oh quick!
He's crawling out of the duckweed!' Click!

Then the gardener suddenly slapped his knee,
And doubled up, shaking silently,
And the ducks all quacked as if they were daft,
And it sounded as if the old drake laughed.
Oh, there wasn't a thing that didn't respond
When
Daddy fell into the pond!

Alfred Noyes

When you are learning it, I would like you to practise by saying it to your teddy or your family. Can you send me a picture of you doing this? Are they impressed with your wonderful recital?

Have a great day!

I'd love to hear what book you're reading and if you are enjoying it.
