Good morning Reception, I hope you all had a good weekend. Molly and I had lots of fun. On Friday night we had a film night. We watched Onward. Have you seen it? It made me laugh and cry.

Molly wants a film night next Friday, but I don't know what to watch. Can you help me?

Have you got a favourite film? Write a sentence and draw a picture of the characters from the film. Email your work to me for Molly to read and I will let you know which film Molly picks to watch.

This week we will be looking at different pets. Molly and I don't have any pets. Molly would love a pet dog. I have said she can have one when she is old enough to look after one. My niece and nephew have rabbits. They are called Fleur and Carrots.

Do you have any pets? Draw me a picture of your pet and write their name. What does your pet like to eat? Carrots and Fleur like to eat broccoli.

This is one of my favourite stories. I think it is funny. I like how it rhymes. <https://safeYouTube.net/w/8xfN>.

Can you think of other words that rhyme with these animals?

frog	cat	hen	fish
			dish
			wish

Let's join Parsnip the cat in a yoga adventure. It will help us develop our concentration.

Follow these instructions to draw a cat. Send me a picture so I can add it onto the pet page on Friday.

### Cat clock

Can you make a cat clock? You can either use paper plates or cut out a large circle and a small circle out of paper.

At o'clock the big hand is on the 12. Can you show different times of the day?

I get up at 6 o'clock can you show an adult 6 o'clock on your clock?

I go to bed at 10 o'clock. Can you show that time on your clock?

If you are confident with o'clock can you show half past.

### Cat poster.

What do you think you need to do to look after a cat? Can you make poster to give me the information? What do cats like to eat? What do they look like?
