

Tuesday 7<sup>th</sup> July

[Reception@blowers.dudley.sch.uk](mailto:Reception@blowers.dudley.sch.uk)

Good morning Reception, I hope you all had a good day yesterday. Let's see what we can learn about dogs today.

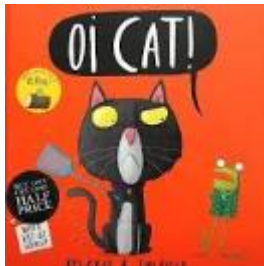

Let us start the day off with a smile. Molly and I danced to this over the weekend and we couldn't stop laughing. Can you follow the dance moves?

<https://safeYouTube.net/w/krRM>

Watch this clip to find out some interesting facts about dogs. Can you find any more interesting facts about dogs? Write them down and send them to me for **50 Dojo points**

<https://safeYouTube.net/w/2aRM>

This story follows on from Oi Frog. Can you work out what these animals will sit on?

<https://safeYouTube.net/w/8VQM>

What would you make dog sit on? Draw me a picture of a dog sitting on something. Label your picture and send it to me. You could have a go at writing a sentence. This is my sentence can you read it?

Oi Dog sit on a cog

Send in your sentence and we can make a book called 'Oi Dog'

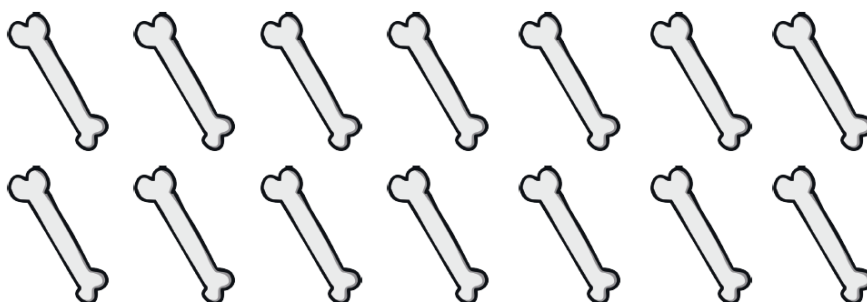

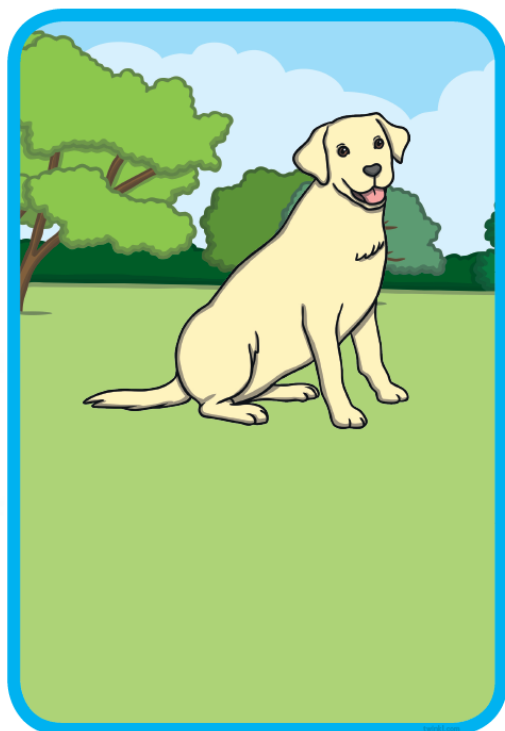

Follow these instructions to draw a dog. Don't forget to send me a picture so I can add it onto the pet page.

<https://safeYouTube.net/w/wWQM>

Give the dog a bone.

Pick a number card count out the bones. Can you share the bones so each dog has the same amount?

### Dog Crafts.

Look at this dog. Can you see what shapes it is made from? Make a dog out of different shapes. Send me a picture of your final cat creation. Try and cut out the shapes yourself.
