

Happy Friday!
I hope you have enjoyed our learning so far this week.
I have really enjoyed planning and writing a story.
It was great to see your fantastic pulley systems yesterday. Well done designers!

Our first lesson today, is maths

Today, we are going to use our fantastic knowledge of fractions to make a fraction poster for Year 1 children again.
Your posters were great yesterday!

I have 8 cakes. I give half of the cakes to my friend, how many do I have left?

Yesterday, you made a poster to represent a quarter.

Today, I want you to represent a third of 6.

Send me your poster for 3 dojos!

Super challenge

Can you make a poster to show the **equivalence** (that two things are equal) of a half and two quarters?

Split your page in half.

Then represent a half of 12 on one side, and two quarters of 12 on the other side.

I will be so impressed if you can do this, I will even give you 4 dojos!

Next up, is writing

Today, I want you to write the last two plot points of your story.

This is a reminder of how I used my plan to write my first plot point. Remember, you can add other sentences!

If you find this tricky, use your phonics to tell me what you can see in the pictures.

Magical place	Writing techniques	Punctuation
	<ul style="list-style-type: none">● explore● beautiful stars● The sparkling, special stars● The stars sparkled like diamonds	<ul style="list-style-type: none">● Shooting stars, comets and galaxies whizzed by.

You will explore the beautiful stars twinkling in the sky. The sparkling, special stars will sparkle like diamonds. Shooting stars, comets and galaxies whizz by. Zooooooooom...the comets will sprint past you. The sky is as dark as the deepest black.

I can't wait to read your stories, so please send them to me!

I will even offer you **6 dojos** each.

Next week, we are going to work on the ending, front cover and blurb of our books. I love writing stories!

Now, it's time for us to enjoy a story...

After all your hard work, settle down and listen to a little bit more of the Twits.

Remember, we are listening to a little each day.

Listen to 15 minutes again today here.

Our last lesson today, is PE!

I think it will be nice to end our week with some relaxing yoga.

Pick a yoga video with cosmic yoga to unwind and look after our bodies.

https://www.youtube.com/channel/UC5uIZ2KOZZeQDQo_Gsi_qbQ

Email me to tell me which video you choose. I love the Minecraft yoga!

You might also like to try some art today!

If you fancy trying your hand at a drawing, pick a video from the Art Hub 'How to draw' tutorials.

<https://www.youtube.com/user/ArtforKidsHub/videos?app=desktop>

Please send me a picture of your lovely drawing!

Well done for another week of hard work Year 2!
I really am looking forward to reading your stories.

I hope you have a fantastic weekend! Do you have any nice plans?
I am actually going to spend some time in my house, and sort through my bookshelves.
They have got way too full!

Although, too many books is not a bad problem to have...
After that, I am going to do some baking. I haven't decided what I am going to make yet
though, do you have any ideas? I would love to know your favourite recipes.

Remember to email me if you have any issues on the Year 2 email address.
Make sure to rest, get some fresh air, and read this weekend!

Take care,

Miss Pylypiak-Clancy 😊
