

Wednesday 8th July

Reception@blowers.dudley.sch.uk

Good morning Reception. We have found out that cats and dogs are pets. Can you think of any other animals that might be pets? Make a list of all the animals you think could be a pet. Which animal would you like to have as a pet?

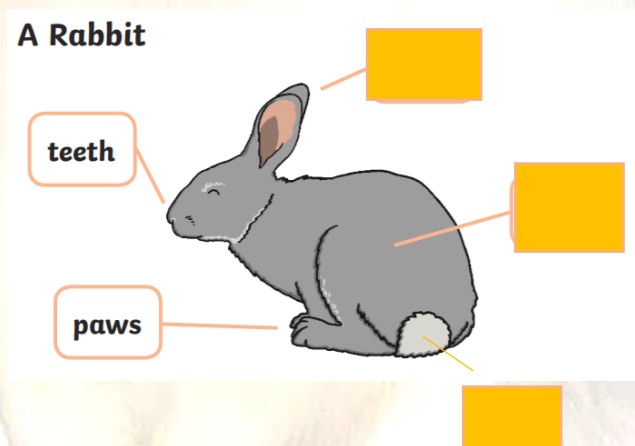

Shall we start the day off with some cosmic yoga. Today we are going to build up our core strength doing Bunny hops.

<https://safeYouTube.net/w/OIqN>

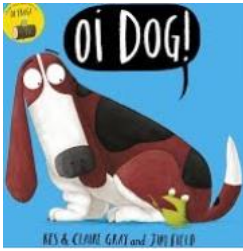

Follow these instructions to draw a rabbit. I can't wait to see all your pictures today.

<https://safeYouTube.net/w/qFgN>

Can you label your rabbit?

I hope you enjoy this story. I think these books are funny. Molly and I try and think of our own rhymes.

<https://safeYouTube.net/w/dolN>

Dogs sit on clogs, hens sit on pens and mice sit on rice.

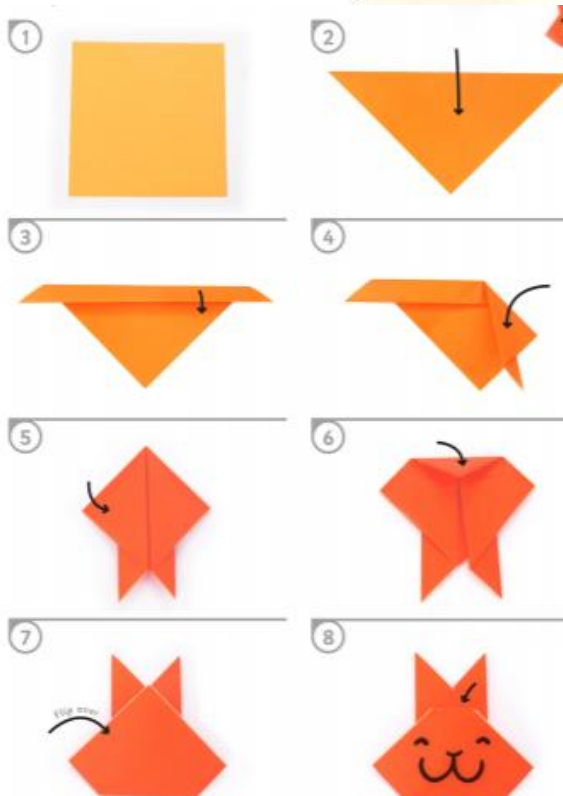

What silly sentence can you write?

Maths

Here is a maths lesson that I think you might enjoy. How many ways can you make 5?

<https://classroom.thenational.academy/lessons/solving-a-mathematical-problem-an-investigation-at-home/activities/1>

Can you follow these simple steps to make a rabbit? When you fold paper it is called origami

Can you create a picture of a rabbit?

Send me a picture of your work. I can wait to see all your hard work.

Have a lovely day. Don't forget to email all your work to me for Dojo points.
