

Wednesday 15th July 2020

Good morning Class !!

If you have good thoughts. . .
they will shine out of your face
like sunbeams and you
will always look lovely.

I hope you enjoyed your home learning yesterday. Thank you for all your costume designs, I am having a very hard time choosing one as they were all amazing. I might ask Mrs Martin to help me.

Below, we have some more fun and exciting activities for you to enjoy at home.

Remember, if you have any questions, you can email us. 😊

Don't forget to enjoy some reading today, practise your challenges and most of all, enjoy some time outside in the fresh air.

Have a fantastic day and enjoy your activities.

Mrs Potter and Miss Starrs.

Before we begin our work, go outside and read your favourite book in the fresh air.

Subject	Task:
Literacy	<p>Yesterday, you wrote the first page for your 'All About Me' book. Today, you are going to write your second page. You could number the pages at the bottom, like a real book. This page is going to tell Miss Pylypiak Clancy all about the things you like doing at home, and at school. You could draw a picture to go with each sentence, like mine below.</p> <div data-bbox="290 528 807 909">  </div> <p>At school, I like Art because I like to paint.</p> <div data-bbox="328 931 828 1303">  </div> <p>At home I like playing in my paddling pool when the weather is nice.</p> <p>Remember, you can write a much as you want.</p> <p>If you find this tricky, you could write a list like this:</p> <div data-bbox="783 1581 1023 1626"> <p>At home I like:</p> </div> <div data-bbox="831 1648 975 1767"> <p>Reading Colouring</p> </div> <div data-bbox="775 1839 1031 1883"> <p>At school I like:</p> </div> <div data-bbox="855 1906 948 2013"> <p>PE Music</p> </div>

Numeracy

Today, we are going to practise some more important number skills that you will need to help you in Year 2.

Challenge 1:

Answer as many of these 2x table questions as you can:

$$1 \times 2 =$$

$$2 \times 2 =$$

$$3 \times 2 =$$

$$4 \times 2 =$$

$$5 \times 2 =$$

$$6 \times 2 =$$

$$7 \times 2 =$$

$$8 \times 2 =$$

$$9 \times 2 =$$

$$10 \times 2 =$$

$$11 \times 2 =$$

$$12 \times 2 =$$

Challenge 2:

Write down the time to match each clock. You might need these words to help you:

o'clock

half past

quarter past

1.

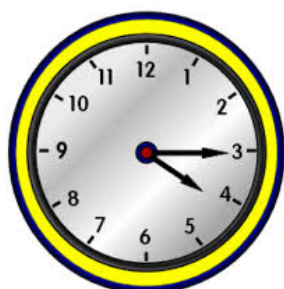

2.

3.

4.

5.

6. What time is it now?

Phonics

Choose a game for your phase, and spend ten minutes practising your phonic skills.

<https://www.phonicsplay.co.uk/>

Topic:

As this week is our last week before the summer holidays, I thought it would be fun if we all had a party in our homes on Friday.

Parties need lots of preparation, so today, I would like you to start preparing. Your first task is to make some decorations.

Here are some ideas to help you:

When you have finished them, keep them somewhere safe, ready for Fridays fun!

Phonics: Phase 2-5 sounds
