Blowers Green at Home - Nursery

E-mail: nursery@blowers.dudley.sch.uk

Hello everybody,

Well done for working so creatively at home. As always, Mrs Dhoot and I have really enjoyed reading your e-mails. We have had to send lots of certificates and stickers this week. You make us so proud!

Here are some bears, binoculars and number goals. Aren't they fantastic?

A huge thumbs up to you all!

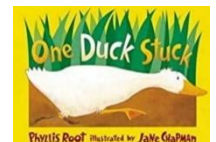

Number Time - Roll a dice duck game

Play this game with a family member. You will need some play dough, a dice and something to use as feathers - sticks or leaves make great feathers. Make a play dough duck each. You will both need handful of feathers - make sure you have the amount. Take it in turns to roll the dice. Count the dots. Then, count out the correct number of feathers and add them to your duck. Whoever puts all of their feathers on the duck first is the winner!

Yesterday we read *One Duck Got Stuck*. There were some unusual animals in the story.

This is a moose. This is the size of a moose next to a man. They are pretty huge! They live in forests near lakes and rivers and eat plants like leaves, tree bark and underwater plants. Every year the male moose grows huge antlers on his head. I think they look like enormous, woody hands.

Why not get creative and create a picture of your favourite animal from the story. Some of the children at school drew around one foot and two hands to make a moose.

Click on the link below to see a real moose in action.

Phonics - Sound Hunt

We are going on sound hunt and today we are listening for objects that begin with the **n** sound.

I found a necklace, my nose, number nine and a nectarine.

How many objects can you find that begin with the **n** sound?

Use the video link below to remind you how to say our phonic sounds correctly.

Rhyme Time - The Wheels on the Bus

This was one of our favourite songs in nursery. Sing along and don't forget the actions!

Rhyme challenge

Can you make up your own verse?
What sound might the horn make?
Who might be sitting on the bus?
What might they do?

It's Time to Sign

Keep practising the Makaton signs from last week.

Today, we are going to practise the signs for food, drink and more.

Click on the link below and then scroll across to the correct sign where Mr Tumble will show you what to do.
