

Blowers Green at home - Nursery
Friday 10th July 2020
E-mail: nursery@blowers.dudley.sch.uk

Hello Nursery,

I can't believe it's Friday already. Well done for working so hard this week. Have a fantastic Friday and a wonderful weekend!

Miss Meads

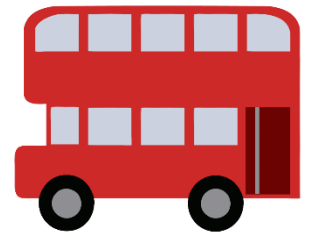

Keep on Moving!

Yesterday, we sang The Wheels on the Bus. Today, have fun learning these dance moves to the rhyme.

Shape Bus

Make a bus picture with 2D shapes. What shapes will you need for the wheels? What shape will you choose for the windows. How many people will you draw on your bus? Where could your bus be going?

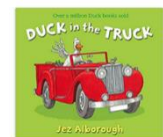

I can't wait to see what shapes you choose.

Our story this week was Duck in a Truck by Jez Alborough. If you missed the story or would like to join in again, click on the link below.

Draw a Car

Choose one of these step lessons to help you draw a car

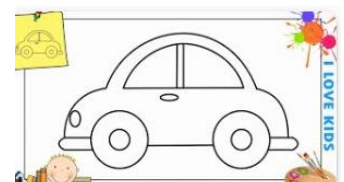

Click on the link below to follow a step by step preschool lesson on how to draw a car.

<https://safeyoutube.net/w/OsuN>

Or, for a challenge follow this step by step lesson instead.

Phonics

Here's the video link below to remind you how to say our phonic sounds correctly.

<https://safeyoutube.net/w/rbuM>

Sound Scrap Book

Look through magazines, junk mail, photographs and packaging for objects which start with the t sound. Cut them out and stick them into the next page of your book. If you can't find any photographs you could draw a picture. Keep your book safe, ready for the next sound.

I found nachos, noodles, a newspaper and number blocks.

Number Time

Last week you made a jumping number line. Today, chalk a number line from 1 to 6 outside or make some number cards to use inside. Collect objects from around the house or garden to match the numbers. Don't forget careful counting.

To support your child

Begin with numbers 1 to 3

To challenge your child

Use a number line to 10.

Have a lovely weekend

Miss Meads
