

Good Morning Year 3!

How are you all?

Did you have a great weekend? I had a pretty boring one! Mr Martin had to go to work so I stayed in and played with the boys. What did you get up to? I woke up feeling a little sad today...it is officially our last week in Class 3. How quickly has the time gone? I need you to cheer me up. Can anyone send me their best joke? Can you beat mine?

Let's start our day with a happy dance. I watched this film with my family this weekend. Have you seen it?

Can you get your family to join in too?

First up today, we are going to do a bit of maths.

It's our last chance to get some bonus points on TTRockstars, so warm up your brains and get earning some points!

We are going to spend this week recapping things that we have done this year. Read and answer the questions carefully.

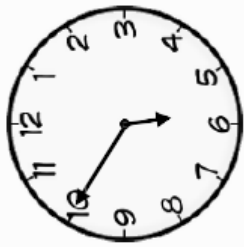

Work out these calculations mentally.

$268 - 3 =$

$458 - 33 =$

$729 + 30 =$

My train leaves at 5:50pm.
It takes 2 and a half hours to get to my house.
What time do I get home?

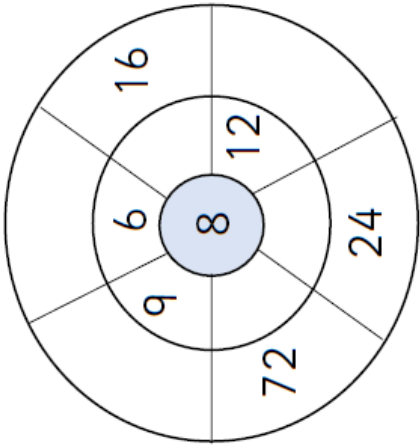

What fraction of the shape is shaded?

What is 100 less than 789?

What is 10 more than 215?

Fill in the multiplication circle.

$69 \times 3 =$

Fill in the missing numbers from the number line.

$5\frac{9}{10}$

$6\frac{7}{10}$

Now have a go at today's bubbles...

Monday

Continue:

$$\frac{2}{10}, \frac{3}{10}, _, _, _$$

Calculate:

$$\frac{2}{3} \text{ of } 18 =$$

Compare:

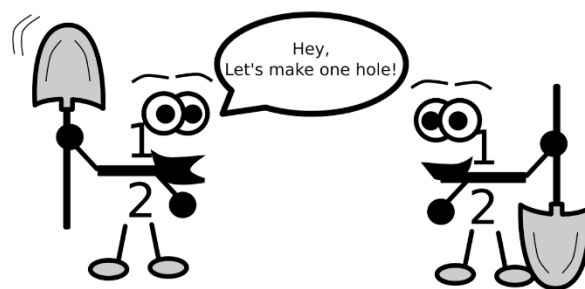

$$\frac{2}{7} \bigcirc \frac{4}{7}$$

Solve:

What equivalent fraction?

$$\frac{1}{3} =$$

Next up, we have English. As we are almost in Y4, we are going to think about what we have achieved this year. I would like you to create a..."My Time in Year 3" report

So today you are going to think about these things...

What was the best part of Y3?

What part did I find tricky?

What have I learnt in Year 3?

What can I get better at next year?

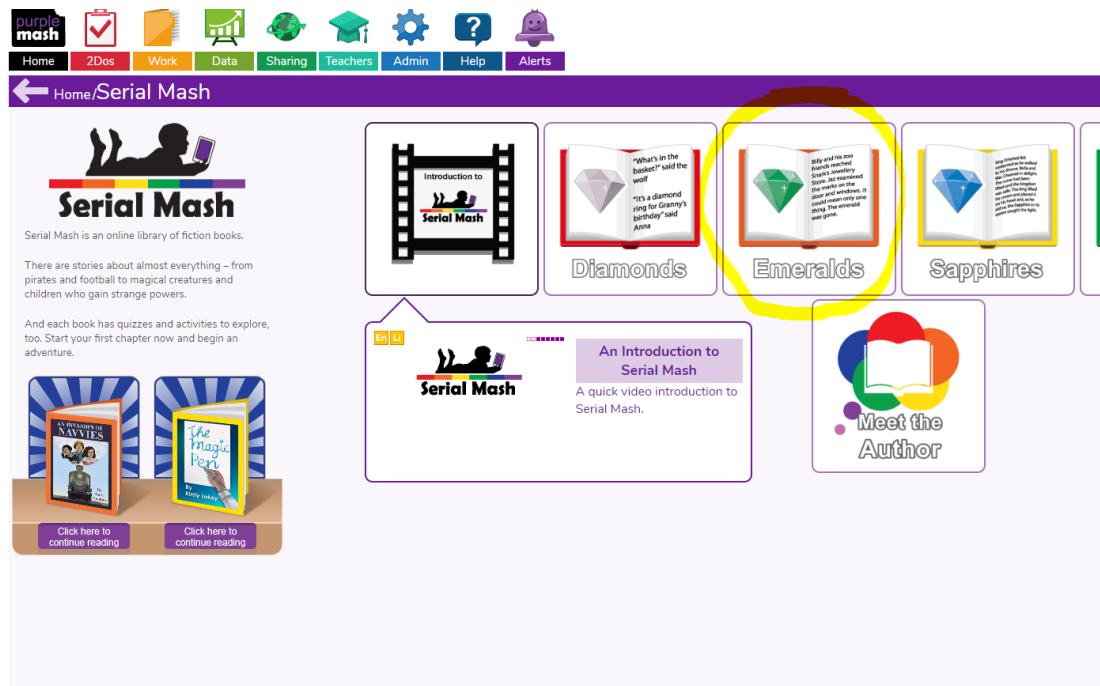

Write down your ideas using bullet points. We will create our report tomorrow!

Now we are going to do some reading!

Log on to Purple Mash.

Click on Serial Mash

Then click Emeralds

Choose *Alien Hotel*, Chapter 1

Read the first chapter and then complete the quiz.

Lastly today, we are going to think about our class artist L.S Lowry.

Here are a few pieces of his work.

If you look closely, you never see the faces of the people! The people he drew were known as matchstick people.

Today, I would like you to recreate one of these pictures. Think about the colours that he has used, how the buildings have been drawn and how he has added the people on, making it look like they are walking.

I cannot wait to see how you get on!

That's it for today Class 3. Have you had a nice day? What was your favourite activity?

To help us to relax this week, I thought we could continue listening to a story. If you haven't completed last week's story, continue with this. If you have, here is the next one...I think that you will LOVE it!

Enjoy the rest of your day and don't forget to send me an email to let me know how you are getting on!
