It is your last week in Reception. It wasn't the year I had planned for you, but we have had lots of fun. I have loved seeing all your photos you have emailed to me.

I hear you had a special phone call from Miss Meads last week. She is super excited about having you in Year 1. She has worked in Nursery, Year 2 and since June she has been working in Year 6. She is really looking forward to teaching you in Year 1. Miss Meads has 2 boys called James and Joel. She calls them her babies, but they are 20 and 23 years old.

Now you know a bit about Miss Meads, she wants to know about you. Can you make a poster all about you?

You could tell her things you like, don't like, or tell her who you live with. Take your time with your drawing, colouring and writing. Remember how we draw a person. If you email me your poster, I can hand it over to Miss Meads.

I have been speaking to lots of your parents and they are all telling me that some of you are finding it hard to go to sleep, and some of you are going to bed later than me. In this lesson you will hear a lovely story that we have shared in class. It is called Peace at Last. You will then have some activities to complete. Let me know if you enjoy it. Try and go to bed early tonight

Don't forget to send photographs of your watches.
