Hello Nursery!

I can't believe that this is the last week of term. For some of you this will be your last week in Nursery. We have had so much fun together and I have loved reading all your e-mails and seeing all your fantastic photographs. Thank you for making this very different year so special.

I know our older children have had a phone call from Mrs Macdonald. She is so excited about teaching you in Reception. Look out for tomorrow's home learning page where you will find out some fun facts about Mrs Macdonald.

In September, I will be teaching the children in Year 1. So, all the children who are returning to Nursery in September will be meeting their new teacher Mrs Blower. Mrs Blower and Mrs Dhoot are super excited about welcoming you back. Mrs Blower has written this special message to introduce herself to you.

Hello Nursery Children. My name is Mrs Blower. I will be your nursery teacher in September. I can't wait to meet you all. Here is a picture of me with my husband and dog, Stella. Here are some fun facts about me.

1. My favourite area of Nursery is the creative/sensory area (especially water beads, gloop and play dough).
2. I have a dog called Stella.
3. I have been teaching for 15 years.
4. My favourite food is Chicken Curry.
5. My favourite range of children's books are the Mr Men/Little Miss Books.
6. My hobbies are listening to music, travelling, colouring and drawing.
7. I could say the alphabet backwards when I was in Nursery.
8. I like to make everybody smile!

I am looking forward to meeting all of you in September.

### All About Me

Your new teachers are so excited about meeting you. So, this week I would like you to share some fun facts about yourself.

Today, I would like you to draw a picture of yourself. If you e-mail me your picture, I can pass it on to Mrs Macdonald or Mrs Blower.

### Keep on Moving!

This week I would like us to sing and dance to all our favourite songs. Today, let's do the Happy Dance!

### Share a Story

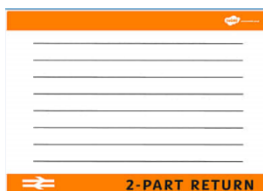

We loved to listen to this story when we were playing with the trains.

### Go on a Train Ride

Use your imagination and go on your own train ride today. You could make a train using old boxes or chairs. Why not make and sell your own train tickets? You could even ask an adult to help you make a sandwich to share on the on the train.

### Reception Challenge

In reception we love lunchtime. So, for your last challenge, I would like you to practise using a fork to eat your dinner all by yourself.

Have a lovely Monday
