

It's Thursday!

Have a fab
day! enjoy
whatever
you're doing!

Good morning Year 2!

Your stories are nearly
finished and aren't they
fantastic?

This is our last day of normal
home learning...before an
end of the year surprise

Be a
Pineapple

Stand tall,
wear a crown
and be sweet
on the inside

Our first lesson, is maths

Edgar has been cheeky again!

He was playing with my times tables boxes and has made a mess! Can you help me?

Email me telling me which numbers should go in each box. 2 Dojos if you can spot the numbers that could go in more than one box.

Thank you, Year 2!

2 5 16 4 10 14 20 15 18 25

How many dojos will you earn today from our challenge?

1 dojo for solution you can find.

It is a bit of a brain teaser!

Birds' eggs

You may need 19 counters.

Three birds laid some eggs.
Each bird laid an odd number of eggs.
Altogether they laid 19 eggs.

How many eggs did each bird lay?
Find different ways to do it.

Now for a little phonics

Go to <https://www.phonicsplay.co.uk/> and log in using the free log in provided.

Username: **march20**

Password: **home**

Now click children, then select your phase and pick the game 'Picnic on Pluto'.

Can you feed the alien words to Obb and real words to Bob?

If you are in Miss Pylypiak-Clancy's phonics group, choose a different game in phase 6.

Next up, is writing!

Today, we are finally going to finish our books!

You are going to add illustrations for your story. Remember, pictures are there to bring the book to life.

Illustrations give the reader more information about the story.

If you would like, you could add speech bubbles to tell me what the characters are saying.

I would love to see your finished books, so please send me pictures!

If you would like to learn to draw like Quentin Blake, Roald Dahl and David Walliams's illustrator, you might like to watch this video below.

Email me which one you would like me to try!
