

Thursday 16<sup>th</sup> July

[Reception@blowers.dudley.sch.uk](mailto:Reception@blowers.dudley.sch.uk)

As this week is our last week before the summer holidays, I thought it would be fun if we all had a party in our homes on Friday.

Parties need lots of preparation! Can you make a list of the things we might need? Who will you invite? What games do you want to play?

<u>Guests</u>	<u>Food</u>	<u>Games</u>	<u>Decorations</u>

Your first task is to make some decorations.  
Here are some ideas to help you:

When you have finished them, keep them somewhere safe, ready for Fridays fun!

Can you write an invitation to someone in your house to help celebrate your last day of Reception?

Or use the slip below.

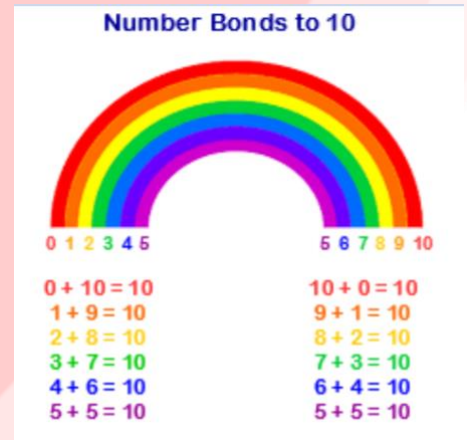

Design your own cake to celebrate the end of the year.

What flavour is it?

What colour is the icing?

## Maths

Today, we are going to practise our number bonds and make our own number bond rainbows. Remember each colour of the rainbow needs to add up to 10, or you could choose your own number bond, 5, 8 or 9.

Don't forget to practise these words throughout the summer holiday so you don't forget them.

Practise reading and writing a few words every day. Try and put these words in a sentence.
