Administration

Unlock the full potential of your school with our expert administrative and exclusion services. At Dudley Academies Trust, we streamline operations so you can focus on delivering exceptional education and improving pupil outcomes.

Alternative Provision

Empower every pupil with our specialised education programs at the Dudley Academies Trust Aspire Centre. In partnership with DMBC Pathway Learning, we provide tailored support to help students overcome challenges and reach their highest potential.

Attendance

Enhance pupil engagement and achievement with our dedicated attendance support services. We implement effective monitoring systems and collaborate with families to ensure students are present and thriving in their educational journey.

Catering

Delight your pupils with nutritious and delicious meals provided by our comprehensive catering services. Our In house catering service provides over 750,000 meals per year, under well managed and cost efficient operating arrangements.

Careers

Prepare pupils for a bright future with our award-winning careers advice and guidance. From foundational stages through to graduation, we offer strategic career education programs, access to career information, and engaging experiences linked to local labour markets.

Compliance, Governance and Legal

Navigate the complexities of governance and compliance with our full range of support services. From clerking and policy management to safeguarding and GDPR advice, we ensure your school meets all legal and regulatory requirements.

Curriculum Development

Inspire a love of learning with our innovative curriculum development services. Our tailored solutions and flexible resources, including engaging lesson plans and technology integration, ensure that pupils receive a high-quality education aligned with the latest standards.

Data Analysis

Harness the power of data with our advanced performance management systems. Our data-driven insights help teachers identify student needs and implement targeted interventions, leading to improved overall school performance. We are able to support most MIS solutions, along with Power BI, Sisra and other analytics solutions.

Estates

Transform your school environment with our leading property and estates services. From architectural advice to project management, our Central Estates Team ensures that every project is completed to the highest standards and at the best price. Our team have extensive experience including leading DfE projects such as RAAC and School Rebuilding Projects.

Finance and Procurement

Achieve financial stability with our expert financial advice. We offer comprehensive financial services, including budget setting, ESFA returns, monthly reporting, payroll, procurement, and internal audit assurance, ensuring effective oversight and control of your school's finances.

Discover the comprehensive services of Dudley Academies Trust. Partner with us to unlock unparalleled opportunities for your school.

Human Resources

Empower your staff with our comprehensive and unlimited HR support. From policy creation to performance management and staff wellbeing programs, our dedicated team provides practical solutions to meet all your HR and Payroll needs.

ICT

Stay ahead of the curve with our cutting-edge IT strategy and project management services. Our expertise in connectivity, networking, telephony, and more ensures that your school's technology infrastructure is robust, future-proof and great value for money.

Marketing

Elevate your school's profile with our dynamic marketing and social media services. From strategic planning to website management, public relations, and event coordination, we ensure your school stands out in the community.

Safeguarding

Ensure a safe and secure learning environment with our comprehensive safeguarding support. We provide compliance assistance, staff training, curriculum development, and performance reporting, ensuring the highest standards of student protection.
