Good morning Class !!

We have all woken up feeling really happy today in the Potter household. I am happy because so many of you have emailed us your wonderful rainbow pictures.

Richard is happy because the milkman left him some delicious cream to go in his coffee this morning, and Islay is happy because she got to have her favourite, marmalade on toast for breakfast. Hmm! I wonder if she would like the Paddington stories?

To start the day today, we would like you to think of something that makes you happy, and if it is something you can do today, at home, take a picture and send it to us. Don't forget, we want to see just how happy it makes you, so make sure to brush your teeth, and show us your beautiful smiles.

We are looking forward to seeing or hearing about what you do today.

Below, we have some more fun and exciting activities for you to enjoy at home.

Remember, if you have any questions, you can email us. 😊

Have a fantastic day,

Mrs Potter and Miss Starrs.

Before we begin, listen to this song. It is all about being HAPPY!

Topic: Science

Yesterday, Mrs Macdonald sent me a picture of her classroom at school. It was such a mess. I think some little elves crept in and mixed up all of the toys.

Here is a picture of the animals, they are all mixed up.

Can you think of some ways she can sort them out?

Here's a little video that might help you.

Email us your ideas and we will give to Mrs Macdonald. I'm sure she will give out special stickers to the children that think of the best way to sort them.
