Next up is maths.

Today, we are going to be looking at shape.

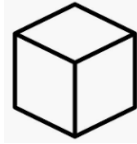

You are going on a 3D shape hunt. So, keep your eyes peeled. If you want, you could even play this with others in your house. I wonder who will win?

Send me some pictures of some of the things that you find in your house. I have noticed that my bin is a cylinder. What shape is yours? My phone is a cuboid.

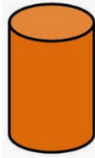

Can you find any of the following 3D shapes in your house?

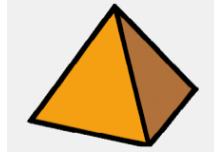

- Cuboid

- Cylinder

- Pyramid

- Cone

- Sphere

Which one do you have the most of?

Send me some pictures of the things that you found.

5 Dojos for any pictures that I get!

Your next lesson is English.

Today, we are going to look at word families.

Prefixes and suffixes change the meaning of a root word.

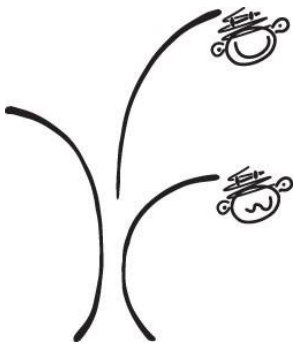

As I love a puzzle, complete the word search below to find all the variations of the root word 'help'.

There are six words in this word search with the root word **help**. Can you find them all?

p	h	e	l	p	e	d	u	h
e	h	h	u	r	p	l	y	i
r	e	e	f	s	c	k	h	g
