IS LOOKING.

Hello Class 3!

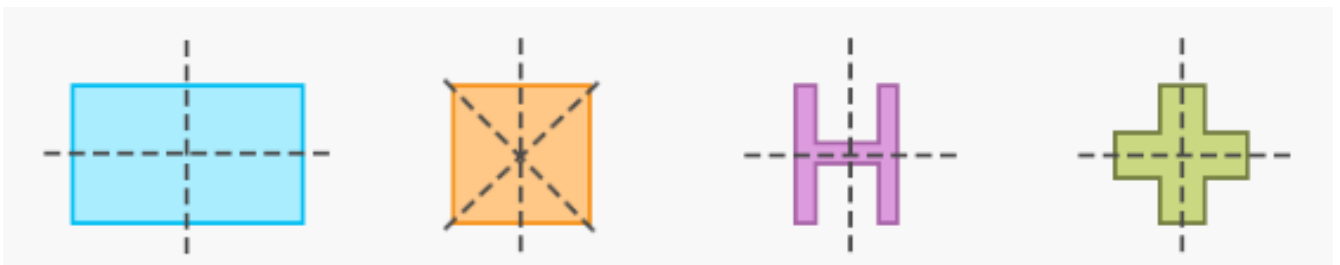

How are you all? I want you to know that I am missing you all so much and I'm so proud of all the learning you are doing at home.

Today, we are going to start off with a song. This is one of my favourite songs. I hope you like it too.

Our first lesson today is maths. Today, we are going to be looking at lines of symmetry.

Remember something is symmetrical when it is the same on both sides.

I would like you to make a symmetrical shape out of items around your house.

If you can, I would love to see pictures of your symmetrical shapes. 5 Dojos for any that I get!

Challenge — When you go outside, can you find any lines of symmetry in nature? Take a photograph or draw a picture of what you see.

### Handwriting

In your exercise book, practise these joins.

Next up we have English.

Today, we are going to be revisiting speech and Professor Punctuation has forgotten to add the correct punctuation to the speech below. Help him by adding the correct punctuation to the speech below.

### Hint!

Use the acronym SCAPS to help you remember how to punctuate speech correctly.

S = speech marks

C = capital letter

A = actual words spoken

P = punctuation

S = speech marks

Please can I have chicken for dinner tonight asked Mark.

Sorry Mark replied Mum we do not have any chicken left, but we do have some fish

OK said Mark I will have fish. Do we have any chips to go with it

Yes, we have chips answered Mum.

I will get the ketchup out said Mark.

How was your day at school Mark asked Mum.

**Challenge:** Turn this comic strip into a piece of text using direct speech.

Our next lesson is Geography.

Research the black country flag.

Why was it chosen? What does each part represent?

Draw a picture of the black country flag and label the picture to show what you found out.

Are there any important parts that you think are missing from the flag?

Now have a go at designing your own black country flag.

Don't forget to have fun whilst you are working and remember to send me the work you have done. I love seeing all your hard work. Have a great day!

From Mrs Martin
