Maths Task 1 – Long multiplication.

Today I would like us to revise our understanding of the formal method for long multiplication.

There is a revision video here.

Complete these questions in your exercise books

There are three levels of question for you to have a go at.

Section A	Section B	Section C
23 x 45 = 67 x 23 = 91 x 17 = 75 x 32 = 18 x 34 = 62 x 15 = 56 x 37 = 21 x 21 = 46 x 18 =	167 x 32 = 238 x 24 = 765 x 13 = 391 x 52 = 412 x 67 = 342 x 31 = 295 x 28 = 432 x 72 = 244 x 18 =	6732 x 15 = 2776 x 29 = 3467 x 34 = 1285 x 53 = 1672 x 65 = 8342 x 23 = 3567 x 68 = 7884 x 45 = 3489 x 92 = 1245 x 88 = 85,872 x 45

Task 2 – Creative Writing.

We are going to use our creative writing skills to describe a setting. Have a look at the following picture. Imagine you are there. Write a setting description using ambitious vocabulary and a variety of sentence types. Don't forget to use ISPACE openers so that there is variety in the way that you open your sentences. Use adverbial openers to help guide the reader through the various parts of the picture. Also try and use ambitious punctuation.

Punctuation Pyramid

(Adverbial Phrase openers) How? Where? when?

where
Under the bridge, I was looking for flowers.

when
While sitting in my treehouse, I saw the amazing railway track.

How
With my friends, I was walking around the beautiful city.

Task 3 Art – Sketching – the world around us.

Many of us have been using lockdown to brush up on those art skills. Today I would like you to sketch a tree.

Ideally it would be great if you could get out in your gardens to sketch a tree or a bush. If that is not possible then here is video that you can watch to help you get started.

The following video also shows another way to draw a tree. (This one is good as there is a child about your age also learning the new skill too!)

Have fun with this activity and don't forget to email me your results at yearsix@blowers.dudley.sch.uk

Once again, thank you for all your hard work. Keep Smiling!
