

Monday 8th June 2020

Good morning Class !!

Have you had a good weekend? What did you do? I took Islay for a walk in the woods, there was no one else around. We saw so many bluebells, they are my favourite flower. Do you have a favourite flower?

We are looking forward to seeing or hearing about what you do today.

Below, are some more fun and exciting activities for you to enjoy at home today. Remember, you can check your answers with an adult when you have finished by scrolling down the page. 😊

Don't forget to enjoy some outside time today, why not look up into the sky and think about what is beyond the clouds... you could even draw a picture to show us.

Have an amazing day,

Mrs Potter and Miss Starrs.

Before we begin, watch this video. What do you know about SpaceX? Did you see it? I know Mrs Martin and her boys did, she sent me a video from her garden.

Subject

Task:

Literacy

Did you know that someone who travels into space is called an astronaut?

Today, we would like you to become an astronaut and start to prepare for your trip into space.

Your first job is to write a list of all the things you would take with you. Don't forget to add some super adjectives.

If you want, you could pick one of your items and write a sentence explaining why you want to take it with you. Don't forget to use the conjunction 'because' if you do.

Here is My list:

1. Tasty food
2. Small mobile phone
3. Soft pillow
4. Family photographs
5. Silver space helmet
6. Padded space suit

I want to take some family photographs because I can look at them when I miss them.

Remember, you can write as many items and sentences as you want. Don't forget to use your Kite Challenge words and phonics sounds to help you.

Numeracy

Today, we are going to practise counting in 2s.

Watch this song to warm up your bodies and dance with your 2's.

<https://www.youtube.com/watch?v=OCxvNtrcDI8>

When we count in 2s we say every other number, so we always miss one out. Can you say the blue numbers out loud and the red numbers in your head?

2 3 4 5 6 7 8 9 10

You can count in 2s from any number, it doesn't have to be an even number, like this:

1 2 3 4

15 16 17 18

Your challenge today is to write the next 3 numbers in the sequence by counting in 2s, like mine underneath. Do as many as you can. Your questions are attached below.

6	8	10	12
---	---	----	----

11	13	15	17
----	----	----	----

If you complete them all, why not try Miss Starrs 2's challenge.

Phonics

Practise your sounds using the phonics sounds mats below.

Now, using my favourite sounds below, see how many words you can think of to add to my list.

ay
play

ie
pie

ea
bead

If you find this a little tricky practise one of these sounds on:

<https://new.phonicsplay.co.uk>

Topic:

Today, we would like you to think about Eid. Eid is a special holiday celebrated by Muslims all over the world. Did you know Eid was celebrated only a few weeks ago? I didn't celebrate Eid, but some of my friends did, it sounded like such an amazing celebration. Did you celebrate Eid?

Your task today is to create an Eid fact file telling us all the special things you or people you know do during this special time. Here is an example to help you:

How Do Muslim People Celebrate Eid al-Fitr?

Muslims celebrate Eid al-Fitr by:

- praying;
- sharing food with friends and family;
- giving gifts;
- sending cards;
- decorating their homes.

On the day of Eid, Muslim people say 'Eid Mubarak!', which means 'Have a blessed Eid!'.

If you don't know anyone who celebrates Eid, watch this short video or read the story 'Rameena's Ramadan' attached to your learning page to help you.

Maths challenge:

If I count in 2s starting with 12 will I say the number 20? True or false? Prove it!

Maths Answers

Counting in 2s

2	4	6	8
8	10	12	14
12	14	16	18
16	18	20	22
20	22	24	26
32	34	36	38
26	28	30	32
5	7	9	11
13	15	17	19
27	29	31	33

Maths challenge:

If I count in 2s starting with 12 will I say the number 20?

Yes as it is an even number and if you start on an even number you will say it.
