

How are you today
Year 2?

I hope you are all well. Well done for working so hard on your learning at home. I'm really impressed! What's your favourite learning activity

BE BRAVE
BE CREATIVE
BE KIND
BE THANKFUL
BE HAPPY
BE YOU

Our first lesson today, is maths

Yesterday, you measured leaves using a ruler to find their lengths. You measured the leaves in centimeters (**cm**).

Do you remember what other unit of measurement we can use to measure length? Let me give you a clue...

That's right! We can also measure in meters (m). We might use a meter stick to measure in meters.

Today, I want you to think about which measuring equipment you would use to measure different items in your house.

Remember, a ruler normally is 30 cm long.

A meter stick is 1 m, or 100 cm long.

I want you to find 4 items you would measure with a ruler, and 4 items you would measure with a meter stick. It might look something like mine.

Ruler

Meter stick

Fridge

Book

Table

Mug

Door

Plant pot

Large cardboard box

Pencil

Make your own list like mine. If you have a ruler or tape measure at home, you could write the length of each item next to it. There is a challenge below for you too!

Super challenge

Amir has a metre stick.

He wants to measure the length of his classroom.

I can't measure the length of the classroom because my metre stick isn't long enough.

Explain to Amir how he could measure the length of his classroom.

Send me your answers. If I think your idea is good, you will get **3 dojos!**

Next up today... writing!

Today, we are going to be writing poetry!
How exciting!

Watch Paul Cookson perform his poem about creepy crawlies here.

<https://literacytrust.org.uk/family-zone/5-8/write-your-own-poetry-paul-cookson/>

Then watch his video showing you how to write your own. Remember, your poem doesn't need to be as long as his.

Send your amazing creep-crawly poems to me. You could even add some lovely drawings to decorate your work.

I can't wait to read them... I'm sure I will be in the mood to give out some dojos after reading your poems!

Now for a little handwriting practice

Practise forming these letters correctly, remember three by the tree. Then, write the sentence below in your best Kinetic Letters handwriting.

c	a	d
---	---	---

The cat ate the candy apple and the dog ate the delicious chocolate bar.

Send me a picture of your best Kinetic Letters for **2 dojos.**

Last today, is RE

We are going to think about places that are special to us and other people. Somewhere is special if it is important to you. It might be important because it makes you feel happy, is important to your religion, or somewhere you go with important people in your life, like your family.

Let's find out where these children's special places of worship are!

Hi! My name is Hardeep and a place that is special to me is my back garden.

I enjoy spending time there, relaxing and exercising. I feel really safe and happy when I am in my back garden. It is very pretty and peaceful.

I like spending time with my family in my back garden.

Hi! I'm Jilly.
The beach, which is just a short walk from my house, is a very special place to me. It is special to me because I have happy memories of time spent with my family there. It is a very beautiful and peaceful place. I like to think quietly on the beach.

Hello! My name is Stefan. A place that is special to me is the library.

I feel very relaxed when I am in the library. There are lots of books and I love reading there. It is also very quiet and calm. There are some lovely beanbags and it is such a friendly and welcoming place to be.

I think my special place would be here....

This is my special place from where I grew up. I used to work in one of the little cafes here. This is my special place for lots of reasons. I love how still

and quiet it can be. I love looking at the water or watching people cycling or walking along the path, it makes me feel really calm. Everyone always seems really happy to be here too, so that makes me smile. I have spent a lot of time with my friends and family here, so it reminds me of my favourite people.

Where would your special place be?

Draw a picture of your special place. You could label it if you like, or add words telling me how it makes you feel around your picture. If you would like, you might like to write a few sentences telling me why it is your special place, like I did.

I am so interested to see your special places, and find out why they are so important to you. So, I will be giving 3 dojos for every photo of your work I see, so please email me!

Great work Year 2!

I can't wait to read about your special places! Well done for your work today.
