After listening to the story. Can you remember what

- word rhymed with fox
- bee
- tree
- snail

**Funky Fingers**

Do you remember how we made a spiral pattern yesterday? Today we are making our fingers extra busy by making dots on your spiral. Make it more exciting and look at designing your spiral with more complex patterns. Carefully dot around your spiral using a cotton bud.

Can you experiment with different patterns around your spiral to make a designer snail?

**Spiral snacks**

Can you make your own edible snails shells? You will need: Wraps, chocolate spread and a knife to spread and cut. Spread your chocolate all over your wrap. Roll up tightly. Cut into slices See the snail shells! Have fun eating some snail shells! How many did you make? Eat 1 how many do you have left?

Can you write a subtraction sum every time you eat one of your shells.  $10 - 1 = 9$
