Good morning Class !!

We hope you enjoyed yesterday's home learning, we certainly enjoyed reading all of your emails and seeing your amazing work. What has been your favourite home learning task so far? Is there anything you would like to learn more about? Let us know and we'll see what we can do.

A big thank you to everyone who sent us a fun animal fact. Here are our favourites:

Today's fun facts:

A giraffe has seven bones in its neck, which is the same as a human, but they are much larger.

The lion has the loudest roar of all the big cats.

A tiger's roar can be heard from more than two miles away.

Elephants use their trunks to breathe when they swim in deep waters.

As always, we are looking forward to seeing or hearing about what you do.

Below, are some more fun and exciting activities for you to enjoy at home today.

Remember, you can check your answers with an adult when you have finished by scrolling down the page. 😊

Have another lovely day,

Mrs Potter and Miss Starrs.

Warm up your brains this morning by singing along to the UK country's song.

Here are some of my ideas:

What is your favourite subject?

Where did you teach before?

If you find this a little tricky, why not write some 'what is...' questions:

What is your favourite food?

What is your favourite song?

We will send the best questions to Mrs Sehmbi, she might even give you a special headteacher sticker for helping her.

Numeracy

Today, your maths mission is to help to feed Ali the Hungry Alligator.

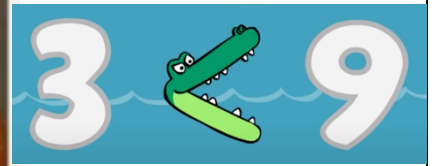

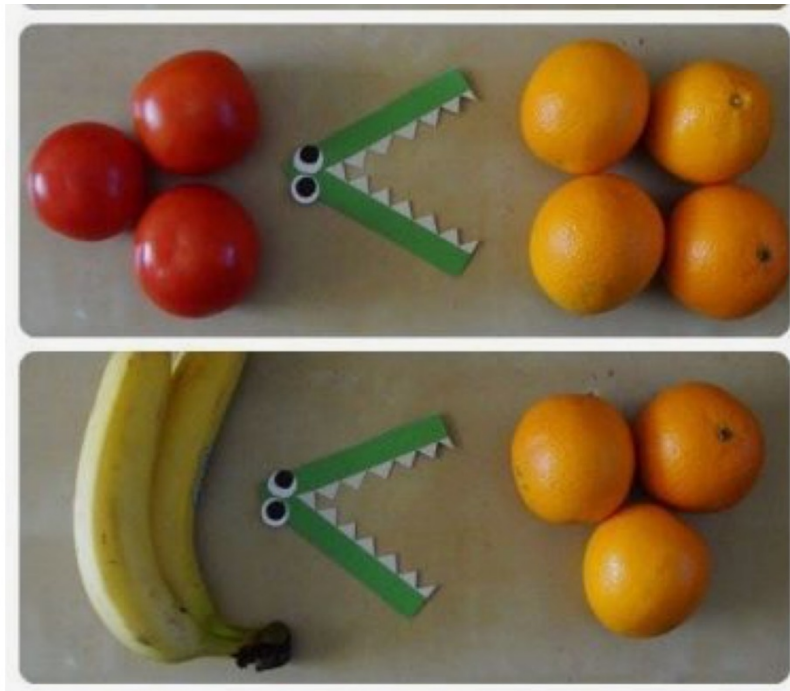

Ali the alligator is always hungry.

He always eats the biggest, number no matter what his mood.

He opens up his big mouth and points it towards his snack.

And to the smaller number, he always turns his pointy back.

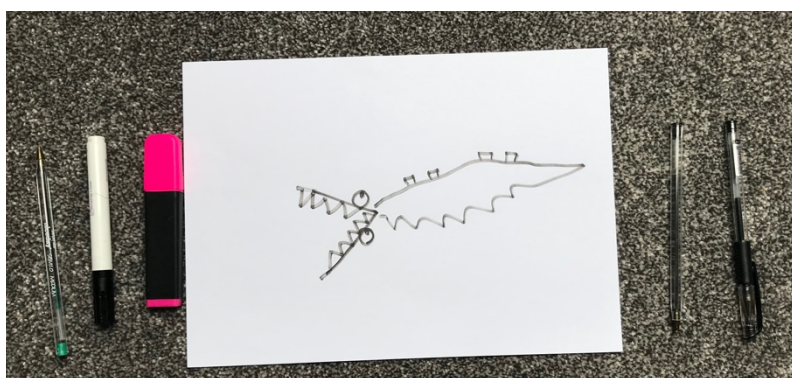

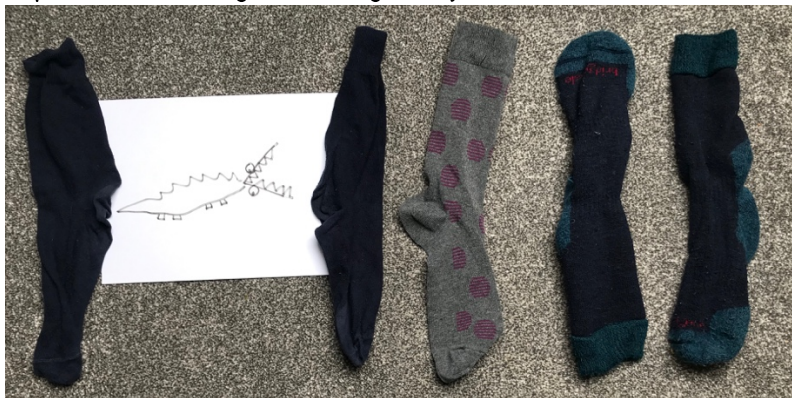

Here are some of the things Ali has eaten in the past. Can you see, he always eats the bigger number?

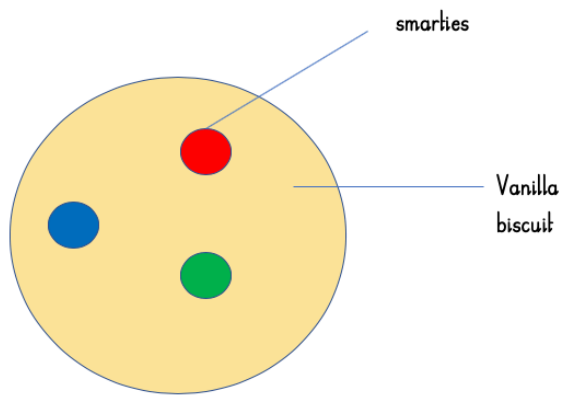

Your mission today is to find objects in your house that Ali can eat, then draw or send us pictures of his snacks.

Here is mine:

Tip: I started by drawing Ali first.

	<p>When we talk about what Ali has eaten, we can use some special words:</p> <p style="text-align: center;">Greater than Less than</p> <p>Here is my sentence to describe what Ali ate for breakfast.</p> <p>He ate 4 socks because 4 is greater than 1.</p> <p>Greater than, means more than.</p> <p>Can you write a sentence about what Ali has eaten in your home?</p>
Phonics	<p>Today, we are going to practise the 'th' sound. Look at the pictures and write the 'th' words to match below, do as many as you can.</p> <p>If you are unsure how to say it, watch this short clip.</p> <p>https://safeYouTube.net/w/tk7K</p> <p>Can you find any objects in your home that have the 'th' sound?</p>
Topic: Science	<p>Well year 1, as we have been spending a lot more time at home over the past few weeks, I have started to bake a lot of yummy treats.</p> <p>I love baking, it makes me feel happy, and it makes me even happier when I can eat what I have made.</p> <p>So far, I have made banana bread, muffins, cookies and apple pie, but I can't decide what to make next.</p> <p>Your task today is to design a cake or some biscuits for me to make at home.</p> <p>Like this:</p>

I will send a picture of the winning design that I decide to bake.

Here are some of the ingredients I have in my cupboard, to help you with your designs:

chocolate

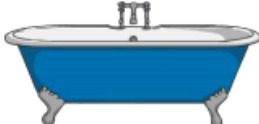

vanilla

smarties

toffee

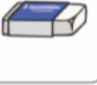

strawberries
