

Good Morning Year 3

How are you all? Did you have a good weekend? I hope you did and I can't wait to hear all about it. It was my Grandy's birthday this weekend. My Grandy is my Grandad, it's just what we call him! 😊 As it was his birthday, I baked him a cake and dropped it to his house. He really enjoyed it. It was lemon flavoured.

Let's start our Monday mornings by joining Joe Wicks for P.E.

<https://www.youtube.com/user/thebodycoach/>

Now, we have maths. Mrs Patel and I were talking this week.

I think that the tallest trees have the largest leaves, but Mrs Patel does not agree.

Who do you think is correct?

Prove it!

How will you measure the height of the tree?

How will you decide the size of the leaf?

How will you record your investigation?

See what you can find out on your daily walk. To earn 5 Dojos, email me pictures to show me what you did!

Our next lesson is English.

Today, I would like you to make predictions about the picture. What do you think happened before and afterwards? Use evidence to back up your answer.

Can you create a thought bubble for the cat?

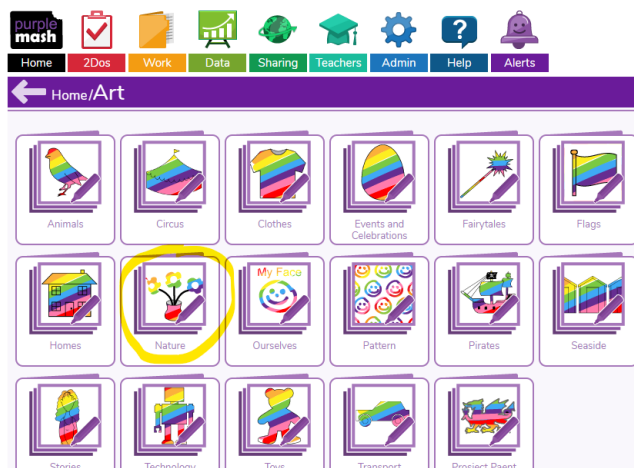

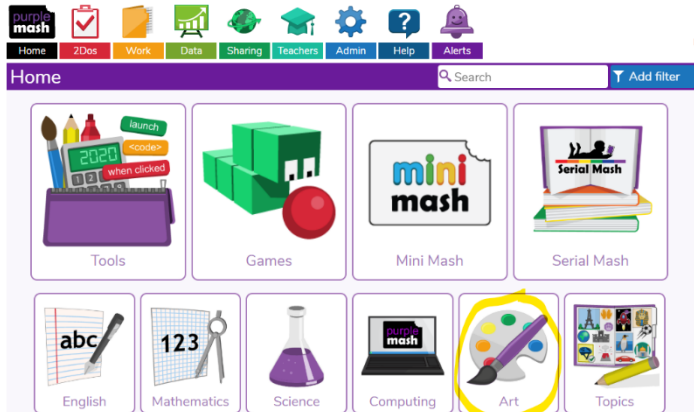

How about a speech bubble?

The funniest ones get 5 Dojos!

Our final lesson is ICT and art.

Today, we are going to be looking at drawings with reflections. As you all know a variety of things can give a reflection- a spoon, a mirror, water and many more.

Firstly, I want you to look at reflection painting on purple mash. Sign into purple mash and click on art.

Scroll down and click on nature.

Click on river.

Create a picture of a river on purple mash.

Look at how the reflections are created.

Look carefully at the size of the reflection, where it is reflected, how it is reflected.

Now try and draw this picture and take care on how you reflect the picture in the water.

I would love to see or hear of any work that you have completed, so remember to email me some! You will earn more Dojos!

Some of you are doing so well and have over 200 Dojos so far!

I hope you have a lovely day and remember to complete your daily reading.

George is really enjoying Horrid Henry books at the moment, so I am going to read this to him as his bedtime story.

Mrs Martin
