

Good Morning Year 3

Let's start our day with yoga. Start your day by completing some Cosmic Kids yoga. Find a yoga video that you would like to do today.

<https://www.youtube.com/user/CosmicKidsYoga>

Can you create some yoga poses of your own? George loves yoga in school, so I will test him out with any you send me!

This is his favourite pose.

The second lesson is maths.

Mrs Patel challenged me to this yesterday and I cannot work it out! Can you? Let me know your answers so I can share them with Mrs Patel.

Three monkeys

Three monkeys ate a total of 25 nuts.

Each of them ate a different odd number of nuts.

How many nuts did each of the monkeys eat?

Find as many different ways to do it as you can.

Our next lesson is English.

As you know dictionaries are in alphabetical order, so it's really important that we know what it is and can sort words into alphabetical order.

Alphabetical Order

Alphabetical order is a system used to arrange words according to their position in the alphabet. Use the first letter of each word to determine the alphabetical order.

Non - alphabetical order

bicycle

fish

cat

apple

elephant

dog

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

Alphabetical order

apple

bicycle

cat

dog

elephant

fish

Do you remember when we made our fish glossary in English and put them into alphabetical order? Well today, I want you to sort the animals below into alphabetical order.

Choose your chilli challenge.

elephant

iguana

newt

vole

swordfish

frog

deer

tiger

tortoise

orangutan

jaguar

eagle

wasp

dolphin

zebra

yak

flamingo

woodpecker

wombat

antelope

badger

meerkat

anteater

ferret

millipede

mosquito

angelfish

worm

mouse

alligator

armadillo

moth

buffalo

fox

llama

baboon

falcon

lemming

wolf

whale

salamander	skunk	stork	swallow
seahorse	snake	swordfish	springbok
squirrel	scorpion	starling	seal
shrimp	spider	serval	shrew
sparrow	squid	stonefish	skate
slug	shark	stoat	sawfly
sloth	snail	skylark	stingray
salmon	sheep	sunfish	swan

Send me your lists to check...any correct lists will get 5 Dojos!

The final lesson is P.E.

As you all know, I love to dance. So, I would like to start off with a dance. I hope you will join in with me.

<https://www.youtube.com/watch?v=ymigWt5TOV8>

I would love you to create a dance routine for one of your favourite songs. Think about what kind of song you are going to perform to and how you are going to do it. Remember to listen for the beat in music and to dance to the beat. Start by finding the pulse...just like we do in our music lessons.

My favourite song is Olly Murs, Dance with me Tonight. When I got married, Mr Martin and I danced to this. We did a special dance called a Jive. When we are back in school, I will share it with you!

Before you go, did you practise your poem yesterday? Let's check!

What happens to the crocodile as he sleeps?

What should you never do to a crocodile?

What might he do to you?

Can you find any words that rhyme?

How is the crocodile feeling?

1 Dojo for each correct answer! Email me your answers and I will add any Dojos.

Remember to have time to yourself and to do something you enjoy.

Tonight, I am going to go for a nice walk. Not too far away from my house, there is a beautiful park with a lake. So, I think I will go for a walk here and I might even feed the ducks!

Have any of you spotted any ducklings on your walk?

Thank you to one member of class 3 who shared this lovely picture with me from their walk...

I am hoping to be able to spot some today!

Also, remember to complete your daily reading, practise your challenges and have some relaxation time.

Mrs Martin
