

Thursday 11<sup>th</sup> June

E-mail: [reception@blowers.dudley.sch.uk](mailto:reception@blowers.dudley.sch.uk)

Happy Friday! I am excited for this weekend as I am going for a bike ride with Molly. We are trying to cycle all the way to her Grandpas. I hope I make it up the hills.

### Challenge time

Five garden snails  
Sleeping in the sun,  
Along comes a (yellow) bird,  
And flies away with one.

Four garden snails  
Sleeping in the sun,  
Along comes a (blue) bird,  
And flies away with one.

(Continue with Three garden snails; Two garden snails; One garden snail. Change colour of bird each time)

Can you learn this poem? Make up the rest of the verses till you have no more snails.

Send me a video of you saying the poem and you will win **20 Dojo points**.

This clip will help you get moving, you will need a scarf or ribbon. Move along with Debbie, can you make spirals and circles with your ribbon.

### Funky Fingers

Using playdough can you make a shell? You have to roll it like a worm first. Let me see your playdough shells.

### Reading

Snuggle up and listen to this story 'Sharing a Shell' by Julia Donaldson. Can you remember any other books that Julia Donaldson has written?

The characters in this story learn how to share.

<https://safeYouTube.net/w/097K>

## Phonics

After watching this lesson can you write your own sentence.

<https://safeYouTube.net/w/aQ7K>

You don't need to do both - choose one. Lesson 28 is harder than lesson 6. If you are finding it hard to remember all your sounds start with lesson

Today is the 'oo' sound. After watching this can you write down as many 'oo' words as you can? <https://safeYouTube.net/w/RQ7K>

## Talk about this picture

What can you see in this picture?

Would you like to be a snail? Why?

What do you think is holding the strawberry in that position?

Where is the snail's shell?

Where do you think the snail will go next?

## Pattern

Can you make a pattern with the fruit from the fruit bowl, or the biscuits in the biscuit tin? Try this one: 'banana, banana, grape, grape' or 'apple, pear, orange, apple, pear, orange'. How many more can you make?

Use the Internet or books to look at patterns on animals. Look at tigers, zebras, snakes, giraffes and cheetahs. What other animals can you find with patterns? Can you draw any of the patterns?

Ask a friend to clap a repeating pattern for you to copy. Repeat it back to them. Then, you clap a repeating pattern and see if they can repeat it. Try this with some other body percussion, including tapping on your legs, knees, shoulders and head. You could tap your hands, knees, head, hands, knees, head.

## Shell Challenge

Can you think of other animals that have a shell? Draw a picture of all the animals you can think of that have a shell. I can think of 3. Can you think of anymore? You will win 10 Dojo points if you email me a picture.

## Yoga

If you are finding things difficult, take time and learn these 5 yoga poses. Say each sentence as you do the pose.

Have a lovely weekend. Stay safe

Mrs Macdonald
