Good Morning Blowers Green!

Today, there is a very special assembly taking place.

The Duchess of Cambridge is going to be leading an online assembly.

The assembly is going to be based on the importance of mental wellbeing in children. We think it is going to be very interesting. It is something very special too. We have never seen an assembly taken by a member of the Royal Family. So, follow the link below to watch the assembly at Ilam.

<https://classroom.thenational.academy/assemblies/>

Don't forget to email us, to tell us something that you have learnt from the assembly.
