Good morning Class !!

How are you all? We hope you have had a lovely weekend in the sunshine. We are looking forward to seeing or hearing about what you do today. Thank you to everyone for sharing your super learning with us last week, we especially enjoyed watching your videos. They really made us smile!

Below, we have some fun and exciting activities for you to enjoy at home.

Remember, if you have any questions, you can email us. 😊

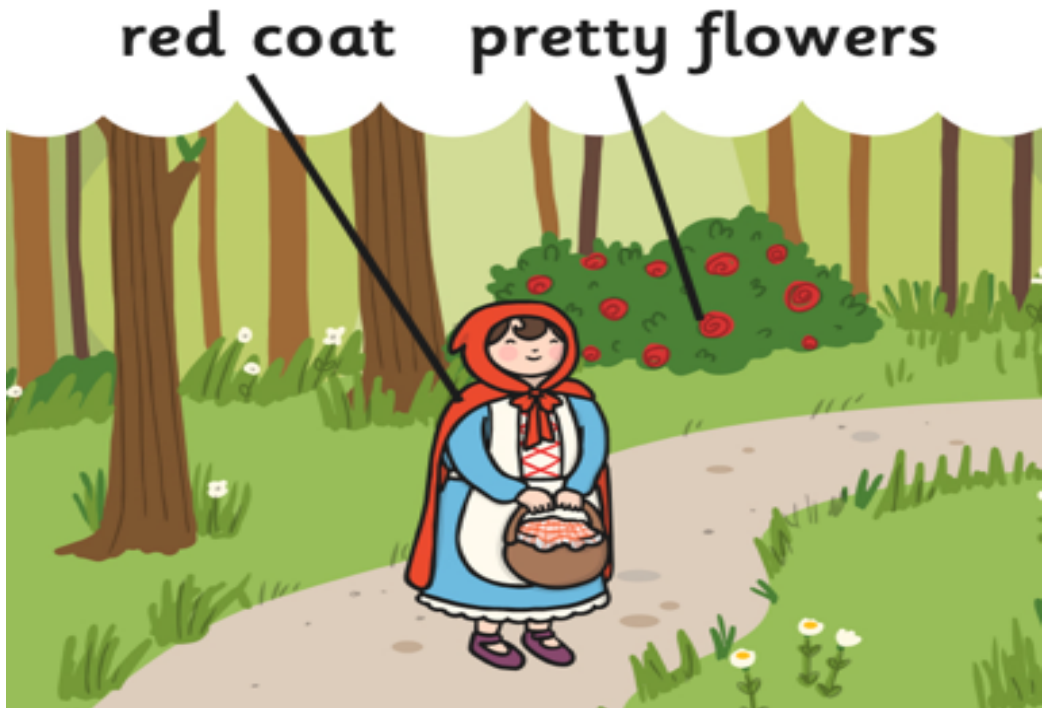

Don't forget to enjoy some reading today, practise your challenges and most of all, enjoy some time outside in the fresh air.

Have a fantastic day and enjoy your activities.

Mrs Potter and Miss Starrs.

Before we begin our work, we are going to get warmed up and go on a bear hunt...enjoy!

Numeracy

Today, we are going to recall some 3D shapes.

How many can you name?

Here are some names to help you...

cone sphere cube cuboid cylinder

Our houses are full of 3D shapes. How many can you spot? Go on a shape hunt, find some shapes, take a photograph, or draw them and then label them with their name.

Look at all of these that Miss Starrs found in her house!

Phonics

Read the captions below, draw a picture to match what you have read. Start on 1, then do as many as you can.

1. a dog
2. a sad man
3. a cat in a hat
4. a run in the sun
5. boats on the river
6. the clown did tricks with a chimpanzee

Topic:

Material mission...

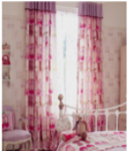

Science:

How many materials can you name in 60 seconds? GO!

Today, your challenge is to find as many objects as you can that are made from different materials. You could look around your home or in your garden. Once you have done that, sort them into material groups.

You could record what you find as a poster like the picture above, or in a table like the one below. You could even take some photographs and email them to us. We have added some ideas to help you get started.
