

Good Morning Year 3.

Happy Friday! How quickly has this week gone?

### Challenge homework over the weekend —

Using this week's learning, write short diary entries for Saturday and Sunday. Underline the adverbial phrases that you use.

Our final lesson is geography.

We have been looking at different land use and how the local area has changed over time. I want you to do some **research** today. Merry Hill has not always been there. Can you research and find out what was there before? Sketch a picture of how it used to look and then tell me some facts that you have found out whilst researching.

Remember to continue to do your daily reading, keep practising your spelling challenges and learning your poems. I hope that you have a fantastic weekend.

Stay safe.

Mrs Martin
