

# Blowers Green Primary: School at Home **Year 1**

Friday 1<sup>st</sup> May 2020

**E-mail:** [yearone@blowers.dudley.sch.uk](mailto:yearone@blowers.dudley.sch.uk)

Good morning Class 1! Happy Space Day!

Today is a fantastic day to celebrate all things to do with space! On the first Friday of May, Space Day is celebrated in order to promote observation of the other, many planets around us.

Below are your 'School at Home' tasks for today along with any links and resources which will help you to complete your home learning.

As always, you can e-mail me any questions you might have on the e-mail address above. You can also e-mail power point or word-processed tasks to me so I can provide you with feedback on your learning.

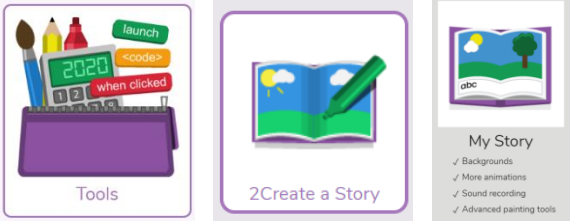

All supporting materials and tasks are at the bottom (after the table below). Keep scrolling down to find them!

Good luck and well done for continuing your learning and working so hard! I can't wait to see your work.

**Remember, all written work should be in your best kinetic letters.**

Mrs Perry 😊

Subject	Task	Link/Resources
<b>Literacy</b>	<p>Today is Space Day!</p> <p>I would like you to design a new planet and tell me all about it.</p>	<p>This is your opportunity to imagine, draw and describe your own planet!</p> <p>Who lives there?</p> <p>What colour is it?</p> <p>Is it hot or cold?</p> <p>What does the surface feel like?</p> <p>What shape is your planet?</p> <p>Use the template below or draw, paint or even sculpt your own planet and send me a photo. Just don't forget to tell me about it!</p> <p>If you are using Purple Mash, I've popped the icons you need to follow below, please don't forget to save it. I can't wait to see your new planets! 😊</p>

		
<b>Numeracy</b>	Space - I spy. Count to 20.	<p>Counting large numbers of pictures can be tricky. A top tip to counting is to cross out a picture when you have counted it and make sure you are not counting more than you can see. Take your time!</p> <p><b>Challenge</b> - create your own I spy for a friend or family member to complete. You could post it to them. 😊</p>
<b>Phonics</b>	Alien Word Search <b>OR</b> make up new alien names using Phase 2, 3 and 5 sounds.	<p>Complete the Alien Word Search and put the sound buttons underneath the words <b>OR</b> make up new alien names using Phase 2, 3 and 5 sounds.</p> <p>See below for resources.</p>
<b>RE</b>	Friendship  Tell/show a friend how important they are to you.	<p>I want you to take this time to appreciate the friends in your life. Think about what your friends mean to you and how you can show them that you appreciate them.</p> <p>You could telephone a friend and tell them how much they mean to you or create a card, write them a letter or draw them a picture and post it to them. Use this time to think about the important things in life - friends and family.</p> <p>Below is a friendship chain maker. You could draw your friends and hang them in your room. You will need an adult to help you with this.</p>
<b>Science: Plants</b>  <b>To complete across the week.</b>	<p>Plant a seed, bulb or a bean.</p> <p>If you don't have any seeds you could use a pip from an apple or an orange.</p>	<p>Take photos or draw pictures explaining how you have planted your seed/bean. Send me a photo of you planting your seed/bean/bulb. 😊 Enjoy!</p> 

# Design a Planet

You have discovered a brand new planet! Complete an astronaut report to send to Mission Control about what you have found.

# Friendship Chain

**Think about some of your friends. Make your own friendship chain by following the instructions below.**

## Instructions

1. Cut along the middle line to make two strips of paper.
2. Using one of the strips of paper, fold in half and then in half again along the dotted lines to create four sections. Make sure the person outline can be seen.
3. Carefully cut around the person outline, cutting through all the layers of folded paper. Make sure to leave the hands intact!
4. Carefully unfold to see your friendship chain!
5. Colour in the people on your friendship chain and write on their names.

### Top Tip!

Draw around the person outline onto the end of a strip of paper, folded into more sections. How many people can you make in a chain?
