P.S Remember, you also have your challenges to work on!

| Subject | Task | Link/Resources |
|---|--|---|
| Literacy Our focus for this week is poetry | Task 1 - Poetry Each day this week, we will be focusing on a different form of poetry and we will link it to a different season. Today we will focus on the season of summer and the poetry technique of using our senses . | Explore the season of summer using your senses. Summer looks like ... Summer tastes like ... Summer smells like ... Summer sounds like ... Summer feels like ... Please send a photo or complete this on a word document. 😊 |

Task 2 (optional)
- Seasons Dance

Create a dance which symbolises one of the seasons, or all of them if you wish. Record the dance and send it via email. ☺ yearone@blowers.dudley.sch.uk

Example:

Spring Dance

During the spring, lots of flowers grow. Think about how a flower grows from a bulb or a seed. Create a sequence of movements to represent a growing flower. Remember to start as small as a seed or bulb and then slowly stretch different parts of your body. You could use your legs as the roots, your body as the stem and your arms as the leaves or petals.

Winter Dance

Think about these winter activities: • Building a snowman • Rolling and throwing a snowball • Putting on warm clothes to go out in the snow • Making snow angels. Choose one action from each activity and combine them into a wintery dance.

Summer Dance

Lots of people go to the beach in the summer. They might play lots of games, including beachball. Think about the movements in a game of beachball (throwing and catching at different heights, hitting the ball back to another player, etc.). Put some of the movements together to make a short dance.

Autumn Dance

In the autumn, the leaves change colour and fall from the trees. Think of some words to describe the different ways that the leaves move as they fall to the ground (e.g. twisting, turning, shooting, gliding, etc.). Can you be an autumn leaf falling to the ground? See if you can move your body in a different way each time.
