

Friday 22nd May 2020

Well done everybody - we made it to Friday!

I know I keep saying this, but everyone is really proud of all your hard work over the last few weeks and I just want to say a well done to you all! I know all the other staff are proud of you too!

As it is half term next week there will be no home school learning. However it is important that your parents and guardians keep checking the school website as news and updates will continue to be updated over the half term break.

Maths answers from yesterday.

Section A

1. 8mm = 0.8cm
2. 13mm = 1.3cm
3. 7.5cm = 75mm
4. 0.2cm = 2mm
5. 30cm = 0.3m
6. 200cm = 2m
7. 0.6m = 60cm
8. 1.7m = 170 cm
9. 400m = 0.4km
10. 5900m = 5.9km
11. 0.8km = 800m
12. 6.5km = 6500m

Section B

1. 24mm = 2.4cm
2. 601mm = 60.1cm
3. 5.9cm = 59mm
4. 18.6cm = 186mm
5. 472cm = 4.72m
6. 95cm = 0.95m
7. 3.13m = 313cm
8. 0.08m = 8 cm
9. 1160m = 1.16km
10. 30m = 0.03km
11. 0.84 km = 840m
12. 3.02km = 3020m

Section C

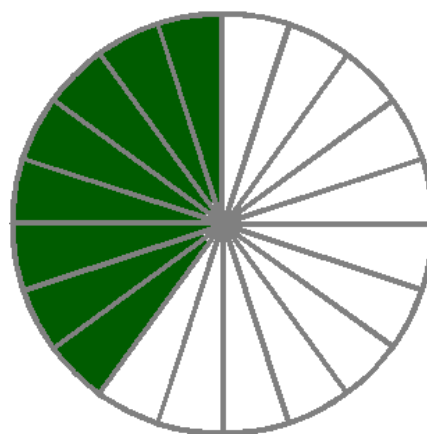

1. 983mm = 0.983m
2. 5841mm = 5.841m
3. 0.027m = 27mm
4. 0.306m = 306mm
5. 1cm = 0.01m
6. 3420cm = 34.2m
7. 70m = 7000cm
8. 65.18m = 6518cm
9. 54m = 0.054km
10. 2106m = 2.106km
11. 0.673km = 673m
12. 0.009km = 9m

Maths Task - Arithmetic

Have a go at the selection of arithmetic questions below.

1. $12 \times \underline{\hspace{2cm}} = 600$
2. $0.6 \times 100 = \underline{\hspace{2cm}}$
3. Calculate: $120 - (3 \times 6 \times 4) = \underline{\hspace{2cm}}$
4. Change 40% into a fraction: =

5. What is the change from £20 after buying four books at £4.57 each?
6. Circle the multiples of 4. 34 24 124 56 82 94
7. Round 1255 km to the nearest 10 km. _____ km
8. Round 12.909 kg to nearest whole kg. _____ kg
9. $320 \div 8 =$ _____ 10. $1812 \div 6 =$ _____
11. Two angles of a triangle are 75° and 75° . What is the size of the third angle?
_____ degrees
12. Find the change from £5 after spending £2.67 £ _____
13. List these temperatures in ascending order:
 5°C -5°C -2°C 12°C -3°C answer =
14. If $2a - 5 = 19$, what is the value of a ? $a =$ _____
15. If the time is 8.55 pm. How many minutes until it is 11.25 pm?
_____ min.
16. $10 \times 54 \times 10 =$ _____ 17. $29,435 - 9,801 =$
18. The three angles of a quadrilateral are 100° , 140° , 60° .
What is the size of the other angle? _____ $^\circ$
19. $56\text{cm} =$ _____ mm
20. What percentage of this shape is shaded?
_____ % (find the fraction first - this will help you!)
21. $529 \times 28 =$
22. $7,000,000 - 450 =$
23. Round 362,450 to the nearest 1000.
24. find five sixths of 24
25. Multiply 50×400 .

English Task. - Here are the answers to yesterday's spelling challenge.

L.o: To investigate and classify spelling patterns for plurals

churches	tornadoes	villains
avocadoes	watches	elephants
try/ tries	buses	Jelly/ jellies
enemy/ enemies	archers	chocolates
balloons	volcanoes	maidens
dishes	lorry/lorries	mangoes
armadillos		patches

Today's Task - Creative writing.

As the weather has been so good I thought we could do a little bit of creative writing about a beautiful island paradise. You only need to describe the scene and the setting. Use creative and imaginative vocabulary. Use a range of openers, remembering to use ISPACE. You can email me your descriptions for me to read. Aim for around 20-30 Minutes writing. Around 15 - 20 sentences.

I ing- Smiling sweetly, she turned and walked away.

S simile- Like the chocolates in the box, she vanished quickly.

P preposition- On the top of the hill, the wolf stood and watched.

A adverb- Hurriedly, he snatched the ticket.

C conjunction- When he found his bone, the dog settled at the bottom of the stairs.

E ed- Pleased with what he had done, he stood back and admired his work.

D dialogue- "Who can that be?" Kate asked herself, as he heard a loud, slow knocking on the door.

Task 3 -

Design a poster.

I thought we'd have a fun, imaginative activity to finish off our week. It's been a long half-term so here is a chance to be more creative today.

We all know that washing our hands regularly, maintaining social distance and using and disposing of tissues when you have coughed or sneezed are great ways to control the spread of viruses and germs.

With this in mind, I would like you to design a poster that promotes good hygiene eg. Handwashing or using a tissue to catch it, kill it, bin it!

Your posters could be considered to be used in and around school when children are finally allowed back into our classrooms. I've included some examples of posters that you maybe able to take ideas from. 😊

Don't forget to email me your posters. Be colourful and eye-catching - don't forget you are trying to get an important message across to people.

Have a fun-filled time at half term. Enjoy being with your family and make sure you do one thing everyday that makes someone smile.

Stay safe - Mr Thompson
