Good morning Class 5!

I hope you enjoyed the long weekend. It has been good to hear about the different things you have been doing: baking, going for picnics in the garden, nature walks and even doing your own artwork. We both miss you and are looking forward to seeing you soon. This week you should get a phone call from Mrs Francis or myself so we can catch up and see how you are doing. Can you remember how they answer the phone in Japan? They say "Moshi, Moshi!" You could always answer the phone like this if you like! I look forward to speaking to some of you!

We all know a certain someone love foxes, so I found this!

Today's Tasks:

English - Writing

We have just over one month of spring time left. Many of you will have noticed flowers have blossomed, new plants are growing and you may even have been lucky enough to see new life in the animal kingdom. The blue tits that have been nesting in my garden laid eggs and they have now hatched - I can hear them chirping when I go past!

Spring time inspires many authors. Your task is to write a poem about spring. How you write it is completely up to you. You can use rhyming words if you want to (you don't have to though!), you could write a personification poem like the ones we produced in class or you could even write a haiku. Below is a poem and some images for inspiration.

It Must Be Spring

by May Fenn

Hush, Can you hear it?
The rustling in the grass,
Bringing you the welcome new
Winter's day is past.

Soft, Can you feel it?
The warm caressing breeze,
Telling you the sticky buds
Are bursting on the trees.

Look, Can you see them?
The primrose in the lane,
Now you must believe it -
Spring is here again.

Maths

Today we are going to revise counting on in 1000s. Complete the sequence by copying it correctly into your book. There is work underneath on the next page if this is too difficult.

10 More 10 Less

Can you find 10 more than and 10 less than the number in the robot's tummy?

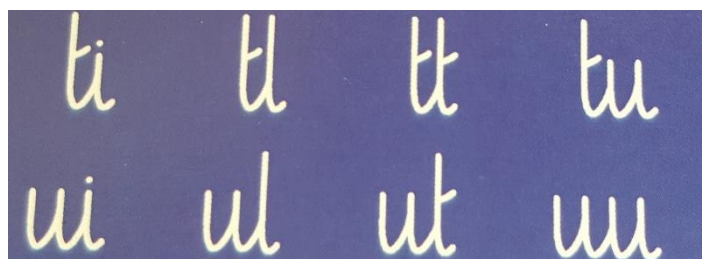

E.g.

English – Handwriting

Today we will be using flicks to join window cleaner letters into other window cleaner letters.

I would like you practise the joins opposite today.
Complete one line of each.

Art

Today we will be completing some still life artwork. I would like you to copy the image below. You can use any media (paint, charcoal, water colour, pencil sketch) that you have access to.

Thank you all for just being you!
