

Friday 1st May 2020

Good morning scholars of Year 5. Keep up the hard work!

I thought I would share a joke with you today:

How do oceans say hello to each other? ***They wave!***

Yesterday's answers:

Maths

Divide the number by 4.

$$25\% \times 16 = 4$$

$$25\% \text{ of } 40 = 10$$

$$25\% \text{ of } 20 = 5$$

$$25\% \text{ of } 8 = 2$$

$$25\% \text{ of } 48 = 12$$

$$25\% \times 400 = 100$$

$$25\% \text{ of } 44 = 11$$

$$25\% \text{ of } 440 = 110$$

$$25\% \text{ of } 84 = 21$$

$$25\% \text{ of } 52 = 13$$

$$25\% \text{ of } 800 = 200$$

$$25\% \times 90 = 22.5$$

$$25\% \times 60 = 15$$

$$25\% \times 268 = 67$$

$$25\% \times 642 = 160.5$$

$$50\% \text{ of } 84 = 42$$

$$75\% \times 84 = 63$$

Today's work:

English – Spelling

Choose a spelling list and **copy each word out 5 times** or **use it in a sentence**. Take care to make sure they are spelt correctly.

Maths

Today we will be revising how to add using the formal written method.

Here is an example:

$$\begin{array}{r} 567 \\ + 199 \\ \hline 766 \end{array}$$

Choose a difficulty and complete.

$34 + 23 =$	$169 + 982 =$	$8932 + 9991 =$
$47 + 21 =$	$699 + 103 =$	$12004 + 9089 =$
$45 + 45 =$	$311 + 99 =$	$25607 + 45003 =$
$36 + 17 =$	$6782 + 156 =$	$999 + 34235 =$
$32 + 39 =$	$9114 + 905 =$	$67.34 + 7.5 =$
$120 + 32 =$	$7892 + 457 =$	$9.32 + 1.505 =$
	$2961 + 1998 =$	$0.9 + 1.45 =$

Remember, if you have access to a device, log into Times Table Rock Stars for daily practice when you can.

Proof read the extract carefully. Make any corrections necessary with the correct punctuation.
Copy the extract into your book with the correct punctuation.

Stella's tail was held high and happy as she bounded along ahead of us. I think we all felt like that

after some discussion we caught a bus because the cases were far too heavy. When we got off we were right by the sea. There didn't seem to be any houses anywhere, just a yachting marina

What are we doing here my mother asked.

"There's someone I want you to meet. A good friend of mine. She's called Peggy Sue. She's been looking forward to meeting you. I've told her all about you" father replied with a huge grin.

My mother frowned at me in puzzlement. I wasn't any the wiser either. All I knew for certain was that he was being deliberately mysterious.

Gulls crying overhead, the yacht masts clapped around us as Stella yapped at wind. Struggling with our suitcases we stopped right by a gang plank that led up to a gleaming dark blue yacht. He put the cases down and turned to face us. He was grinning from ear to ear.

RE

This week, many Muslims around the world are beginning to celebrate Ramadan. Research Ramadan and write down at least 5 facts. You could produce a poster, PowerPoint presentation, video or information leaflet. Alternatively, you can simply list your five facts.

This is a good website for information:

<https://www.bbc.co.uk/bitesize/topics/zpdtbkb/articles/zjc2bdm>

For those of you who are observing this religious holiday, **Ramadan Mubarak!**
