

Monday - Week 2

Good morning Class 5! I hope you are well! We both miss you and look forward to seeing you all soon.

Below are the tasks for today. Remember you can email us at yearfive@blowers.dudley.sch.uk if you need any support.

Maths

For Maths today, we would like you to choose a difficulty and click on the links below to complete the fraction matching activities. The main focus for today's lesson is equivalent fractions. Many of you have asked if you can complete all of the All, Most and Some activities, and the answer is: yes of course! (Well done for striving to do more).

All - matching fractions	Most- equivalent fractions	Some - equivalent fractions
http://www.sheppardsoftware.com/mathgames/fractions/memory_fractions1.htm	http://www.sheppardsoftware.com/mathgames/fractions/memory_equivalent1.htm	http://www.sheppardsoftware.com/mathgames/fractions/memory_equivalent1.htm
	Level 1 and 2	Level 3 and 4

Don't forget to log into Times Table Rocks Stars for at least 10 minutes of practice.

English

For English today we will be learning about adverbs. Often, in class, we forget that adverbs are not just words ending in ly.

Adverbs normally help paint a fuller picture by describing how something happens, such as:

- When? She *always* arrives early.
- How? He drives *carefully*.
- Where? They go *everywhere* together.
- In what way? She eats *slowly*.
- To what extent? It is *terribly* hot.

Open the work titled 'English Task Monday'. Select a difficulty and complete the worksheet. You can complete this in your blue homework book. If it asks you to circle or underline in an answer, just copy out the question and circle and/or underline. The answers to the worksheets are at the end so you can check your work.

Science

For today's Science lesson go to this website <https://basf-asia-en.kids-interactive.de/> . Click on 'go to lab' follow the instructions. Go to **Lab 7** and explore the filtering experiment. You can record your findings and results in your blue homework book.

PE (optional) Remember, everyday Joe Wicks will be uploading a 30 minute PE session. You can watch the first video here: <https://www.youtube.com/watch?v=RzOgo1pTda8> . He will be streaming these live at 9am every morning so if you would like to start the day with some PE you can do this every day!
