

Tuesday - Week 2

Hola clase 5!

It is excellent to receive so many emails each day and we are proud that so many of you are working so hard!

Below are the tasks for today.

English

From today onwards, you will have your very own virtual teacher: Jane Considine. → Every day, starting Live at 9.45am, Jane will be teaching a sentence stack lesson on YouTube (you can also watch this lesson at any time after 9.45). Here is a video explaining how 'Super Sentence Stacking' works:

<https://www.youtube.com/watch?v=nMVpipnXrDc> . Subscribe to the channel to keep updated. This channel is where the live lessons will be uploaded.

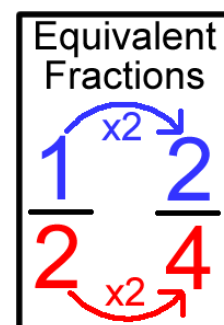

There is usually a video stimulus for the day; you will write about a different plot point each day. When watching the live video, if you have any questions, you can always ask them in the live chat. You can send in your sentences and you could be part of the nation's story. I will be listening to the nation's story each day at 3.30!

Maths

Today we will be finding equivalent fractions. Watch

<https://www.youtube.com/watch?v=qcHHhd6HizI> to learn how to do this.

Open the work titled 'Tuesday Maths Task'. Select a difficulty (All, Most or Some) and complete the worksheet in your blue homework book.

Don't forget to log into Times Table Rocks Stars for at least 10 minutes of practice.

History

Today I would like you to do some research into the **Normans**. You will need to record any research into your blue homework book.

Here is a short video on a brief history of the Normans:

<https://www.youtube.com/watch?v=xCCTJKsLZxE> .

This website is also very useful for information:

<https://www.theschoolrun.com/homework-help/normans> .

Your notes could simply be bullet points of information. You will need this information tomorrow so make sure you find lots of interesting facts!

PE (optional)

Live from 9am, take part in 'P.E. with Joe Wicks'

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ> .
