

Friday

Ciao classe 5! Here are the tasks for today.

Maths

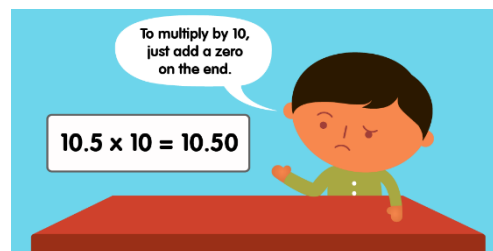

Today we will be multiplying and dividing by 10, 100 or 1000. If you need a reminder how to do this watch this video: https://www.youtube.com/watch?v=6fLNcGSa_L4.

Select a difficulty and complete the calculations in your blue homework book.

All		Most		Some	
$3 \times 10 =$	$340 \div 10 =$	$3.5 \times 10 =$	$84 \div 10 =$	$0.002 \div 10 =$	$4.04 \times 10 =$
$35 \times 10 =$	$800 \div 10 =$	$890 \times 10 =$	$89 \div 10 =$	$3.04 \times 100 =$	$4.02\text{cm} = __\text{mm}$
$51 \times 100 =$	$720 \div 10 =$	$0.3 \times 10 =$	$459 \div 100 =$	$0.0502 \div 10 =$	$6.7\text{l} = __\text{ml}$
$67 \times 10 =$	$900 \div 10 =$	$4.5 \times 100 =$	$6 \div 10 =$	$0.204 \times 100 =$	$0.02\text{m} = __\text{cm}$
$7 \times 10 =$	$400 \div 10 =$	$5.2 \times 1000 =$	$7893 \div 1000 =$	$5.06 \div 100 =$	$9.8 \times 10 \times 10 =$
$682 \times 10 =$	$670 \div 10 =$	$7.02 \times 100 =$	$932 \div 1000 =$	$0.003 \times 1000 =$	$6.4 \div 100 \times 10 =$
	$700 \div 100 =$		$0.1 \div 10 =$	$_____\text{g} = 3.2\text{kg}$	$7.02 \times 1000 \div 10 =$

Have a look at what this child has said:

Do you agree? **Email** me an explanation.

English

Open the work titled 'Friday English Task'.

You will need to read the sentences really carefully and decide which sentence is in **standard English**. Standard English is accepted as the "correct" form of English, used in formal speaking or writing.

Non-Standard English: I love the player what scored.

Standard English: I love the player who scored.

Non-Standard English: We was there yesterday.

Standard English: We were there yesterday.

Select a difficulty and complete **at least 10 questions** (you can of course do more if you wish!). Record the correct sentence in your blue homework book (so you should have written ten sentences). I have also attached the answers so you can mark the work yourself.

Geography

In Geography you have been learning about biomes. Watch this video to recap what a biome is:

<https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/zvsp92p>. Research a biome you did not focus on in school (for example: aquatic, grassland, rainforest or savannah). Present your research on either a poster or powerpoint presentation. Think about these questions to focus your research:

What is the weather like? - Temperature/Rainfall

What animals live there? How have they adapted to live there?

What plants can be found there? How have they adapted to live there?

Here is a good website for research: <http://kids.nceas.ucsb.edu/biomes/>

PE (optional) Remember, everyday Joe Wicks will be uploading a 30 minute PE session. You can watch the first video here: <https://www.youtube.com/watch?v=RzOgo1pTda8>. He will be streaming these live at 9am every morning so if you would like to start the day with some PE you can do this everyday!
