

## Monday

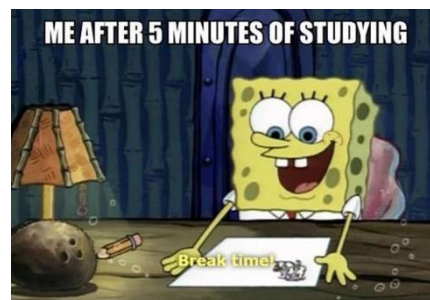

Good morning Class 5!

I hope you are well! Below are some tasks I would like to complete whilst you are off from school.

### Maths

For maths today we will be learning to multiply single digit numbers by larger numbers using the formal method for multiplication. If you need to recap how to do this you can watch this video: <https://www.youtube.com/watch?v=FJ5qLWP3Fq>

Chose the difficulty and complete these calculations in your blue homework book.

All	Most	Some
$23 \times 3 =$	$452 \times 6 =$	$4532 \times 8 =$
$14 \times 5 =$	$812 \times 4 =$	$8512 \times 7 =$
$41 \times 5 =$	$892 \times 6 =$	$3892 \times 6 =$
$65 \times 3 =$	$332 \times 7 =$	$9932 \times 7 =$
$62 \times 4 =$	$342 \times 4 =$	$2342 \times 9 =$
$32 \times 5 =$	$802 \times 8 =$	$3429 \times 8 =$
$82 \times 5 =$	$831 \times 9 =$	$9091 \times 8 =$

Don't forget to log into Times Table Rocks Stars for at least 10 minutes of practice.

### English

For English today I would like you to choose a spelling list, copy these spellings out carefully and use them in a sentence:

accident accidentally actual actually address	accommodate accompany according achieve aggressive
---	--

Then, using one of the reading books provided, find 10 modal verbs - write these into your blue books including the sentence they were found in. Remember a verb is a 'doing' or 'being' word like 'run', 'walk' or 'is'. A modal verb is a verb which expresses how likely or necessary something is. Here are some examples: must, shall, will, should, would, can and could.

### Science

In DT, we were starting to plan to build an electrical car. I would like you to revise your knowledge on electrical circuits. Click on this link <https://www.andythelwell.com/blobz/guide.html> . Complete stages 1,2,3 and 4 and the short activity to go with each (click the green arrow to start the activity). If the link doesn't work try a different browser or access the activity from this website [http://mystery-productions.com/hyper/Hypermedia\\_2003/Thelwell/Site/index.html](http://mystery-productions.com/hyper/Hypermedia_2003/Thelwell/Site/index.html) .

Good luck, remember you can email me if you need to ask any questions!
