

Wednesday

Konichiwa Class 5! Here are the tasks for today. Remember to keep in contact, it has been good to receive messages from many of you by email – always ask if you are not sure! (yearfive@blowers.dudley.sch.uk).

Maths

To begin, make sure you spend **at least 10 minutes on Times Table Rock Stars**.

Today, you are going to practise addition using the formal written method. There is an example of this on the right.

Choose a difficulty and complete.

$$\begin{array}{r} 876 \\ + 205 \\ \hline 1081 \\ \hline \end{array}$$

1 1

<u>All</u>	<u>Most</u>	<u>Some - Be careful!</u>
45 + 24 =	892 + 3,494 =	456 + 572 + 678 =
462 + 234 =	8,909 + 19,234 =	23,009 + 20,001 + 532 =
567 + 28 = (don't forget to rename ten ones as one ten)	399 + 5,981 =	789,321 + 402,499 =
672 + 132 =	3,462 + 879 =	892,341 + 809,009 =
587 + 204 =	7,824 + 6,829 =	45 + 5,721 + 56,321 =
672 + 62 =	89,342 + 9,820 =	90,989 + 8,934 + 82 =
	92,109 + 9,999 =	8,231 + 7,821 + 67 + 30,000 =

English

Open up the reading task and complete **two worksheets**. You can choose your difficulty (beginner, easy, tricky or expert).

If you have a printer you could print these and write the number, **or in your blue homework book write the sentences in the order they should be in.**

An example of the task is on the right.

I have also included the answers so you can mark this or have it marked by someone at home.

Please also remember to read every day.

Art

In class, you have learned how to create tone and texture with hatching, cross hatching and stippling. Today, I would like you to develop and practise this skill. Watch this video for a quick time lapse as a reminder:

<https://www.youtube.com/watch?v=tJtIAgrCGr0>.

In your book or on paper, create three grids with at least 8 boxes. Demonstrate these skills by creating a gradual tone from lighter to darker. **Each box should be a slightly different shade.**

Tomorrow you will be sketching 'still life' applying these skills, you could always make a start today.

Captain Finnigan was a pirate – a very bad pirate. He was always on the lookout for treasure to steal. One day, through his telescope, he spotted a ship on the horizon. Could it be carrying treasure? There was only one way to find out. He ordered his crew to man the rigging and they set off in pursuit. In no time at all, they were bearing down upon their prey. Captain Finnigan ordered the men to hoist the Jolly Roger as a sign that they were about to attack. The pirates drew alongside the ship and Captain Finnigan shouted across, "Give up ye treasure and night let ya live!" There was no answer. In fact, there was no one there. Captain Finnigan smiled. Taking treasure from this boat would be a piece of cake.

Number the following events from 1 to 4 to show the order that they happened in the text.

In no time at all, they were bearing down on their prey. ☐

The ship looked abandoned. ☐

He was always on the lookout for treasure to steal. ☐

There was no answer. ☐

hatching

cross hatching

stippling
