

Thursday 25th June

Good morning Class 2! How are you all? Did you have a good day yesterday? I spent lots of time thinking of lots of fun activities for us to do next week. Do you have any fun ideas you would like to see on our home-learning? Email me any ideas and I will try to include some.

First up today, is maths

You have been doing a great job using the methods of addition, subtraction, and multiplication to answer questions involving measurements this week.

Can you guess which operation we will be practising today?

That's right, division!

Remember to use your sharing circles to help you and keep your workings neat.

Pick a level of challenge again, red being the hardest.

Could you stretch yourself today?

There is also a challenge below to earn more dojos!

Yellow

1. $4\text{ml} \div 2 =$

2. $6\text{ml} \div 3 =$

3. $10\text{ kg} \div 2 =$

4. $8\text{ l} \div 4 =$

5. $12\text{ ml} \div 3 =$

Orange

1. $20 \text{ ml} \div 5 =$

2. $18 \text{ g} \div 3 =$

3. $22 \div 2 =$

4. $20 \text{ ml} \div 4 =$

5. $24 \text{ ml} \div 6 =$

Red

1. $25 \text{ ml} \div 5 =$

2. $24 \text{ g} \div 4 =$

3. $27 \text{ ml} \div 3 =$

4. $28 \text{ kg} \div 7 =$

5. $30 \text{ l} \div 6 =$

Super challenge

I was looking at sweets in the shop the other day. I want to buy some sweets to share equally between myself and 2 housemates. They come in packs of 2, 4, 6 and 12.

Which packets of sweets could I buy?

Send me your answer with your working for 2 dojos.

Our next task is English

Edgar has been a naughty monkey again!
Last weekend, I spent ages tidying my bookshelf, so all my
books were **alphabetical order**.

Edgar said he was going to get a new book, but when I went
to find a book the other day, I saw he had messed my order
up!

Can you help me sort it out?

Let's remind ourselves what alphabetical order is.

What Is Alphabetical Order?

The letters which appear in an alphabet always appear in the same order.
This is called **alphabetical order**.

There are 26 letters in the English alphabet. They go in this order:

a b c d e f g h i j k l m n o p q r s t u v w x y z

So, if I have these names...

Sophia

Isiah

Bob

...and I put them in **alphabetical order**, they would be in this order...

Bob

Isiah

Sophia

Now, can you order my book titles, so I can reorder my bookshelf again? I will give you 4 dojos for your work. I have even added an extra challenge for you to earn even more dojos!

The Twits

Year 2 Maths

Walks in the West Midlands

Birmingham sights to see

Vegetarian recipes

Healthy meals for monkeys

Edgar's 2019 diary

PBuzz for children

Super challenge

How would you order these book titles in alphabetical order? You could ask your adult to help you if you aren't sure.

Bear's big day out

Banana recipes for monkeys

Big cities in the UK

Send me your answer for 3 dojos.

Our last lesson today, is history

Historians look at artefacts to learn about the past.

Today, I would like you to pick and research a Victorian artefact. Then, you are going to make your own model of the artefact.

You could use cardboard boxes, toilet rolls, foil, yogurt pots and anything else you can find in your house!

Make sure you ask an adult before you use the materials you find.

I know you are all super creative, so please email me a picture, so I can see your fantastic work.

I am looking forward to seeing your artefacts and for you to sort my bookshelf out. You are all so helpful!

I can't believe Edgar has been so cheeky recently, and he has already gone to sleep again...

Remember, if you have any problems you can email me on our year 2 email address.

Remember to work on your challenges, get a bit of fresh air and read today. Make sure to get some exercise, maybe try a cosmic yoga video to stretch and relax.

I hope you have a lovely day!

Miss Pylypiak-Clancy 😊
