

Good Morning Year 3.

Hope you have all had a nice weekend. Did you do anything nice? I had lots of fun playing in

the garden with George and Harry and Mr Martin even did a BBQ for our tea. He loves BBQ-ing!

I would like to start today off with a song, to brighten up our day. Have a go and remember to have fun!

Let's move it for Monday.

https://www.youtube.com/watch?time_continue=19&v=f-EVUKcSSVY&feature=emb_logo

Next up, we have maths. You are all maths superstars so I know that you will be good at this!

This week we are going to be looking at money. Let's begin by warming up our brains.

Pick an amount, set a timer for 60 seconds. How many ways can you make this amount in 60 seconds.

Example – 23p

$10p + 10p + 2p + 1p$

$20p + 1p + 1p + 1p$

$10p + 5p + 5p + 2p + 1p$

58 p

99p

139p

Today, I want you to find the amounts in the jar. Think about the value of each coin and write the amounts. Can you write the amount in p first and then convert to £ and p?

Choose a chilli challenge for your questions today.

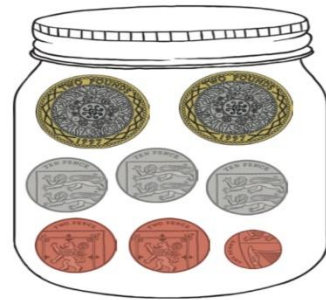

How much money is in my jar?

How much money is in my jar?

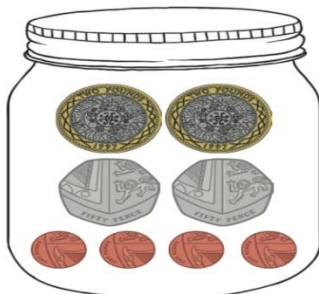

How much money is in my jar?

Challenge — Mrs Martin has some coins in a jar. Her coins make 94p. What coins might be in there?

Our next lesson is English.

This week we are going to be revisiting apostrophes. Today we are going to look at apostrophes for contractions.

A contraction is when two words are joined together to make a shorter version of the word.

do not – don't

Match the contraction to the words:

don't		could not
won't		I have
can't		cannot
didn't		will not
couldn't		have not
shouldn't		do not
haven't		should not
I've		did not

Write the sentence underneath, writing the words out in full.

1. You don't need to wear your PE kit on a Tuesday.

2. Why won't the birds be quiet in the morning?

3. I can't find my keys for my car.

4. James didn't know how to drive so he had to get the bus.

5. Miss Forrester couldn't believe how hard the children had worked.

Our final lesson is RE.

This time of year, is a special time for many families around the world who celebrate Eid.

Do you know what it is about? Today I would like you to **research** and find out about Ramadan and Eid.

The video below is about a Muslim family and what Ramadan and Eid means to them.

<https://www.bbc.co.uk/bitesize/clips/z434wmn>

I would like you to create a poster/ leaflet about Ramadan and Eid so that we can help others about this.

Finally, this week is a special week across the U.K. It is **Mental Health Awareness Week**.

This year, the theme is kindness.

Kindness is defined by doing something towards yourself and others, motivated by genuine desire to make a positive difference.

Today, we are going to begin with kindness to ourselves. We are going to take some time out to relax our bodies and minds by following this video.

<https://www.youtube.com/watch?v=dF706-QabIo>

Rainbows are my favourite thing, so I hope that you enjoyed this one!

Remember to complete your daily reading and learn your poems ready for challenges when we are back in school.

Have a lovey day.

Mrs Martin

A poem to recap this evening.

The Night Will Never Stay

The night will never stay,
The night will still go by,
Though with a million stars
You pin it to the sky:
Though you bind it with the blowing wind
And buckle it with the moon,
The night will slip away
Like sorrow or a tune.
