

Good Morning Year 3.

Hope you all have had a nice weekend. Did you do anything nice? Today is my birthday, so yesterday, Mr Martin ordered some of my favourite pasties and scones from Padstow and we had a little tea party with George and Harry to have an early celebration. It was really nice.

We are going to begin the day with Joe Wicks at 9am. Remember, if you miss it, you can find his past ones on Youtube.

After that, we are going to do maths.

This week we are going to be looking at fractions. Remember... a fraction is an EQUAL part of a whole.

Today I want you to find the unit fractions of the amounts below.

Unit fractions are when the numerator is 1.

Remember to divide by the denominator and to share the amount equally.

# Unit Fractions of Quantities

$$\frac{1}{6} \text{ of } 48$$

divide by  
the denominator

divide by 6

$$48 \div 6 = 8$$

$$\frac{1}{6} \text{ of } 48 = 8$$

Choose a chilli challenge for your questions today.

Share the numbers accurately and then check using your times tables and division facts.

$$\frac{1}{3} \text{ of } 9 = 3$$

|     |     |     |
|-----|-----|-----|
| XXX | XXX | XXX |
|-----|-----|-----|

$$9 \div 3 = 3$$

$$3 \times 3 = 9$$

CHALLENGE — Mrs Martin has 40 sweets. There are 4 people in her house. If she gives everyone the same amount, how many do they each get? What fraction is this?

Our next lesson is English.

Last week we looked at nouns. This week we will be revisiting expanding noun phrases. You can watch this video to remind you what expanded noun phrases are;

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/z3nfw6g>

**A note to parents:** An **expanded noun phrase** gives more detail or information about a noun in a simple noun phrase. This is usually done by adding adjectives to describe the noun in the noun phrase, for example:

She walked through the dark, mysterious forest.

In the example above, the expanded noun phrase is 'the dark, mysterious forest', the words 'dark' and 'mysterious' have been used to expand the noun phrase. They make writing more interesting as they help the reader to build an image in their mind.

In your English books, rewrite the following sentences below and either underline or highlight the expanded noun phrases or write the expanded noun phrases in a different colour.

1. The brightly-coloured parrot flew through the canopy.
2. After his lunch, Harold ate a sweet, delicious chocolate brownie.
3. Under the waves, the stripy fish swam quickly through the reef.
4. In a forest clearing, a dark, mysterious jaguar sauntered by the water.

Next, I want you to edit my sentences to make them better by using exciting expanded noun phrases.

The giant ate his toast.

The enormous, sinister giant chomped and chewed his golden brown, buttery toast.

1. The dog ran in the field.
2. The rabbit ate a carrot.
3. The lion was staring at its prey.

Next up, we have French.

I would like you to practise your numbers, colours, and objects.

Begin by writing the numbers 1 -10 in order. Use the clues in the table to help you

| numbers   | objects                               | colours |
|---|---------------------------------------|---------|
| quatre<br>deux<br>huit<br>sept<br>trois<br>neuf<br>six<br>cinq<br>dix<br>un | <p><b>Les objets de la classe</b></p> |         |

Next, I would like you to read my sentences and tell me what I have.

J'ai un stylo bleu.

J'ai deux livres noir.

J'ai sept trousses verte.

J'ai neuf gommes jaune.

Finally, at the end of the week there is a very special Bank Holiday to celebrate VE Day. This afternoon, I want you to find out what VE Day is and think about why it is important.

# VE Day Thoughts

Victory in Europe Day – or VE Day – is remembered on 8th May. It was the day when the end of the Second World War in Europe is celebrated.

What is remembered on VE Day?

Why do you think it is important to celebrate and recognise VE Day?

Remember to complete your daily reading and to get some fresh air outside. I will be ending my day with this. Can you join in too?
