

Good Morning Year 3 and Happy April! It is April Fool's Day, but I hope nobody is playing any pranks! Anyway, today we are going to begin our day with some exercise.

<https://www.youtube.com/watch?v=oiTaFviEt74>

I will be doing this at 9:30, so join in!

Our first lesson today is Maths

Our focus is multiplication and division.

Firstly, in your books, write as many numbers that are both multiples of 5 and 2 and then complete this

Number and Place Value
To compare and order numbers from 0 up to 1000

3

1. Use the signs $>$ $<$ $=$ to make this true.

442 244

899 799

565 656

2. Order these numbers from the greatest to the smallest.

678 768 786 687 766 676

3. Use the signs $>$ $<$ $=$ to make this true.

masterthecurriculum.co.uk

Today we are going to multiply 2 and 3 digit numbers using the column method.

H	T	O
	5	7
		4
		8
	2	

H	T	O
	5	7
		4
2	2	8
	2	

54 x 3 =
67 x 2 =
34 x 4 =
56 x 4 =
43 x 3 =

214 x 3 =
115 x 2 =
216 x 4 =
205 x 4 =
432 x 3 =

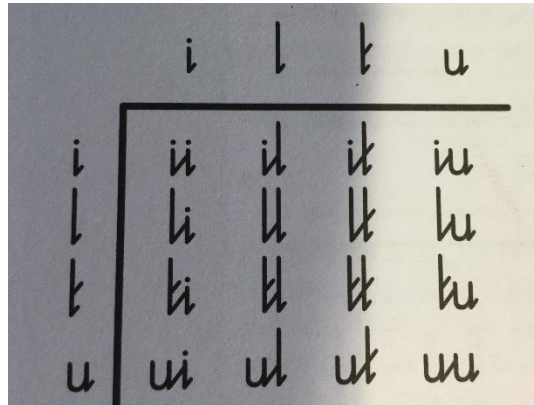

514 x 3 =
627 x 4 =
349 x 4 =
136 x 8 =
413 x 8 =

Next lesson is English

This week we have been focussing on fronted adverbials. Today I want you to focus on time adverbials. Write a diary entry for your day using time adverbials- first, next, then, soon after, in the afternoon

Handwriting- recap these joins. Can you create any words with them to practise?

Our final lesson today is Art

One of our class pictures is The Laughing Cavalier by Franz Hals.

I would like to update the fact cards we have in class, so your job is to create a new one for me. You must include a sketch of the original picture, the name of the picture and artist and at least 4 facts. When we are back in school, I will pick some of them to use in class.

Remember to complete you daily reading and practise all of your challenges ready to earn some Dojos when you are back.

Don't forget....any problems, you can email me. Have a lovely day! From Mrs Martin
