

You're
BRAVER
than you
believe, and
STRONGER
than you
seem, and
SMARTER
than you
think.

Hello there Year 2!

I hope you had a lovely weekend.
What was your favourite thing you
got up to? I made a cake and ate it
while I finished reading my book-
the ending was a complete twist!
Hope you are rested and are ready
for another week of learning!

If you have good thoughts. . .
they will shine out of your face
like sunbeams and you
will always look lovely.

Our first lesson is PE. Let's get our bodies moving to start the week!

First thing's first, let's keep our bodies healthy with Joe Wicks. I am really enjoying doing PE at home,
are you?

You can join in at 9am, or later in the day here.

<https://www.youtube.com/user/thebodycoach1/videosSTI>

Next up, is maths.

This week we are going to use our knowledge of money in our shop.

Today, I want you to create your own shop.

Choose 7 items from around your house. Give each item a price from the prices below.

15p

6p

39p

10p

5p

20p

2p

This is my shop.

Take a picture of your shop like I did. Or, if you can, leave it out so you can come back to it tomorrow.

Now, we can open for our customers! Are you ready?

Joe Wicks is in a rush to get back to the gym before teaching another PE class!

He has challenged you to order the items in your shop from the cheapest, to the most expensive as quickly as possible. Time yourself, and send me your times with a photo of your items in order.

3 dojos for the quickest time! Get set..... GO!

My friend wants to buy her sister a present for her birthday.

She wants to spend more than 10p on her present.

Which items in your shop could she buy?

Ismail's mum said that he can only buy items that cost an odd number of pence (p).

What items in your shop can he buy?

Well done Year 2. What excellent shop keepers you are!

Our next lesson is, writing

Today, we are going to make an awesome advert for an item in our shop to make customers want to visit. An advert tells someone why something is great and why they should buy it.

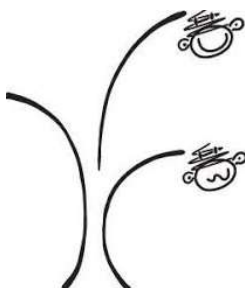

One way we can make our writing more interesting, is by using adjectives. Choose one item from your shop and think about the amazing adjectives you can use to describe it. If I made an advert for the plant in my shop, I might use adjectives like beautiful, gorgeous, fresh, stunning, lovely or luscious.

You might even decide to make your advert on the computer. If you would like, you can put your advert next to your shop!

Email me a picture of your adverts. I can't wait to see them!

Every advert that includes more than 5 adjectives gets 5 dojos.

Our next task, is a little bit of handwriting practise

Practise forming these letters correctly, remember three by the tree.

W	V	X
---	---	---

Then, write the sentence below in your best Kinetic Letters handwriting.

William, Violet and Xander played X-box with Velma and Winifred.

Our last lesson today, is science

Over the last few weeks, we have thought about what plants need to grow. Can you remember the three things plants need to grow?

That's right! **Water, sunlight, and the correct temperature.**

Yesterday, I was on the phone to my brother and he told me he is really sad because he has killed another plant!

He is absolutely awful at keeping plants alive, but I had a great idea... Year 2 will be able to tell him how to look after his plants! Can you help me by creating a poster to tell my brother how to keep his plant alive?

Email me your posters. I will pick the best one to send to my brother.

Thank you, Year 2, what would I do without you?

Challenge

My brother said he kept his plant in the cupboard, with the door closed, next to the boiler and watered it every hour. What was he doing wrong?

Well done Year 2! I hope you enjoyed being shopkeepers today and have had a lovely Monday!

There is just one more thing I want you to do for me. This week is **Mental Health Awareness Week**. The theme this year is kindness. Today we are going to focus on being kind to our minds and bodies.

Enjoy this Yoga video with your family, to relax your mind.

Remember, if you have any problems you can email me on our year 2 email address. Remember to work on your challenges and get some fresh air today. I am really enjoy reading at the moment, I hope you are enjoying reading your books everyday too!

Miss Pylypiak-Clancy ☺

"The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you'll go."
-Dr. Seuss
